'OPEN WIDE,' 'THIS WON'T HURT A BIT'

Five hundred and twenty-three Marin children showed up Monday, Tuesday and yesterday afternoon at the county health department in San Rafael for free dental examinations, offered for Children's Dental Health Week by the Marin County Dental Society. The children ranged from 2 to 14 years old. The volunteer staff of 10 dentists and nine assistants, under Dr. Charles M. Dahl, took 324 X-ray pictures. At left, Dan Johnson, 7, of Terra Linda gets examination. In second picture, Sarah Johnson, 4, of Terra Linda opens wide; in third, Kenneth Clark, 5, of Corte Madera, says "a-a-ah," and in fourth, Carol Olsen, 9, of San Anselmo, watches the dentist with some trepidation. DIVE FOR MURDER WEAPON—Divers Bud Arey (far out in water) and Maurice Picard (foreground) come up for air after going 110 feet below the surface of Alpine Lake today in search for gun that fired the shot killing Jerry Keith Sangster, whose body was found in a shallow grave near Devil's Gulch. The quest proved fruitless, silt in the reservoir making visibility zero near the bottom. (Independent-Journal photo)

MYSTERY TRIP TO ENGLAND

Slain Man's Offer Of 'Adventure' To Teen-Age Marin Girl Revealed

A link between Jerry Keith Sangster, 25, Mount Tamalpais murder victim, and two teen-age girls in Mill Valley has been established, Sheriff Louis P. Mountanos disclosed today.

Adventure-seeking Sangster, described as a smooth-talking "ladies' man," offered a 16-year-old Mill Valley girl a free trip to England on a mysterious money-making venture that he said would yield $1,000 profit, just before Christmas. The meeting took place at Juanita's Galley in Sausalito.

Inspectors Marco Melovich and Richard V. Argento, tracing the last few weeks of the fast-moving life of Sangster, also learned that the victim had been approached to act as a "fence" to dispose of $10,000 worth of jewelry and a $3,500 mink stole in San Francisco for $3,500. Sangster discussed this with his friends and was dissuaded from taking up the proposition.

Sangster's brother flew in from Chicago today and conferred with the sheriff concerning his brother's death. Sangster's nude body was found last Sunday at Devil's Gulch near Bolinas-Fairfax Road with a bullet hole through the head.

Members of the sheriff's underwater rescue and recovery unit, headed by Capt. George Tsegeletos, skin-dived to 110-foot depth in Alpine Lake this morning, searching for the murder weapon. Their search was fruitless. The lake water at that depth was too full of silt for visibility, the divers reported.

The lake is about four miles from where Sangster's body was found. Sheriff Mountanos ordered the search on the chance the gun that fired the fatal shot, or some other clue to the killer, might have been thrown into the lake.

The proposed trip to England with the Marin girl and the jewelry proposition came as a result of an advertisement which Sangster placed in the San Francisco Chronicle sometime before Christmas.

The girl recalls the ad read as follows: "Young man looking for excitement. Will do anything for money as long as it is legal."

The 16-year-old, a waitress, said she and a teen-aged girl

Russ Charge French Fire On President

LONDON (AP)—The Soviet Union charged tonight a French military plane opened fire twice today on a Russian plane carrying Soviet President Leonid Brezhnev on a visit to Africa.

Moscow Radio said Andrei A. Gromyko, Soviet foreign minister, had informed the French Embassy in Moscow the attack took place "over the international waters of the Mediterranean," about 80 miles north of Algiers.

Claims For Jobless Insurance Hit Record In Marin

A record number of unemployment insurance claims was filed at the California Department of Employment office in San Rafael during January, manager E. W. Ayer disclosed today.

At the same time, sharp increases in general relief and aid to needy children payments were reported by Betty Presley, county welfare director.

Ayer said January job placements through the Department of Employment office here totaled 388, the highest January on record and exceeded only by 404 placements last July. But the number of new unemployment claims filed hit 4,417, the highest since the office records were begun in 1952. The previous high in new unemployment claims was 3,929 in March, 1958, he said. Each claim covers a week of unemployment, Ayer explained, so that a person unemployed throughout January would file five claims. Some of the 404 jobs obtained through the department were temporary, so that persons who obtained them may have reappeared on the unemployment rolls by the end of the month, he said.

There were 1,093 new claims filed during January, Ayer noted, representing persons who were employed in December but lost their jobs last month.

Claims on file for last week totaled 1,136 compared with 858 for the corresponding week last year.

Although January is usually a period of relatively large unemployment in Marin, because of shutdowns of construction jobs by rain, both Ayer and Miss Presley noted that claims in their offices last month ran well above January of last year.

Miss Presley said general relief payments in Marin County last month were 11.72 per cent above those in December and

25 More Cities Held Critical Jobless Areas

WASHINGTON (AP)—The Labor Department today added 25 major industrial centers to its list of substantial unemployment areas. A spokesman called the jobless situation the worst since early World War II.

The new areas reported with an idle rate of 6 per cent or more of their work force included Philadelphia, Cleveland, Baltimore, Los Angeles, Newark, St. Louis and Kansas City.

At the same time, it was announced that Secretary of Labor Arthur Goldberg will make a five-state inspection of unemployment areas beginning tomorrow. He is making, at President John F. Kennedy's direction, a series of on-the-spot tours of areas where unemployment is considered a major problem.

Goldberg will visit Chicago, Gary and South Bend, Ind., and Lansing, Mich., tomorrow; Detroit and Columbus, Ohio, Saturday, and Pittsburgh Sunday.

The new Labor Department survey of major labor centers showed that the aggregate rise in unemployment in the 150 major areas surveyed increased about 50 per cent between No-

Sweeping Health Aid Plan Urged

Controversial Program Asked By President

WASHINGTON (UPI)—President John F. Kennedy asked Congress today to safeguard the health of Americans from childhood to old age through a vast program topped by social security financing of hospital and nursing care for persons over 65.

The controversial plan highlighted a special message in which Kennedy also proposed federal scholarships to increase the supply of doctors and dentists; grants to bolster community nursing and hospital services; aid to medical and dental schools; action to improve the health of children and youth, and stepped-up medical research.

Administration officials said the proposal on health care for the aged—certain to touch off a big congressional battle—would cover 14.2 million persons past their 65th birthday as of Jan. 1, 1963.

These officials said it would cost 1.1 billion dollars in its first year of full operation, and would mean a 1.5-billion-dollar-a-year increase in social security payroll taxes.

Anyone with a social security card who earns $5,000 a year or more would contribute an additional $6 in 1962 and another $12.50 a year starting in 1963 under the plan. His employer would pay an equal amount.

Kennedy insisted "this program is not a program of socialized medicine."

"It is a program of prepayment of health costs with absolute freedom of choice guaranteed," he said. "Every per-

SPORADIC RAIN TO CONTINUE TO PELT MARIN

Occasional rains through tomorrow were forecast after an overnight drenching in which Marin County scored as the wettest area soaked by the current storm.

Top recorded rainfall figure in Marin was 3.18 inches at Alpine Lake in the 24 hours ending at 8 a.m. today.

Other lakes of the Marin Municipal Water District group gave these figures for the same period: Kent 1.87, Lagunitas 1.05, Bon Tempe .85 and at the new Nicasio dam only .29. Water district officials pointed out that Nicasio has an unusually large watershed and makes maximum profit from what it gets. Water was about one-third to the overflow point today with 38.3 feet registered and 75 feet to go.

San Rafael rainfall to noon today was .79 of an inch.

Other points reported the following for 24 hours to 8 a.m.:

Woodacre .55 inch, Novato .36, Chevy Chase, Larkspur, 2.05; Muir Woods 2.79 (making 16.10 for the season), Belvedere 1.20, Tamalpais Valley 2.25, Sausalito 1.50.

Mays Signs '61 Pact; No Raise

SAN FRANCISCO (AP)—Giant outfield star Willie Mays—highest paid player in baseball—has signed his 1961 contract for the same $85,000 figure he received last season.

The San Francisco Giant office said the contract was received in the mail from New Rochelle, N. Y.

A club spokesman said: "He is receiving the same as last year . . . no raise and no cut . . . He signed the first contract sent him."

Mays, at 30 the oldest Giant from the standpoint of active service, will be playing his tenth season.

HECTIC TRIP

Stork Wins Race; Baby Born In Car

A fast-flying stork delivered an eight-pound girl inside a moving car this noon, with the help of two makeshift "midwives" and moral support from a Tiburon fire commissioner.

The mother is Mrs. Mary Hoffman of Tiburon, who gave birth to a daughter in the car of a friend, identified only as Mrs. Bacon of Tiburon.

The race between Tiburon and Marin General Hospital was a hectic one. Mrs. Bacon stopped the car in front of the home of Kelly J. Wheeler, Tiburon fire commissioner, at 100 Jefferson Boulevard, Belvedere.

Wheeler, who was home in bed with a cold, called a neighbor, Mrs. Harry Howard of 104 Jefferson Drive, for help. Mrs. Howard jumped out with a blanket. This was shortly after noon.

The mother was in a reclining front seat of Mrs. Bacon's car, and the baby had already arrived. It was her third child.

All three women and the baby raced to the hospital and went directly to the delivery room.

Both the mother and baby were reported doing fine. Wheeler was in a state of shock. He said he was going to work this afternoon despite a cold. "Too hectic at home," Wheeler decided.

Ben-Gurion's Foe Resigns Labor Position

JERUSALEM, Israel (UPI) — Pinhas Lavon, focal point of the greatest political storm in Israeli history, resigned today as secretary-general of the Histadrut Labor Federation.

Lavon said his resignation, which removed him—at least temporarily—as an Israeli political power, was forced by the decision of Premier David Ben-Gurion's Mapai Labor Party that he must quit to end the feud between his and Ben-Gurion's supporters.

Lavon was expected to retire from active politics and await Ben-Gurion's eventual retirement before attempting a comeback.

Lavon resigned as minister of defense in 1954 after being blamed for a secrecy-shrouded security operation failure.

The country's former coalition cabinet cleared him of any blame recently, despite Ben-Gurion's protests. The premier's insistence that the case be re-opened led to the cabinet's resignation and the fall of the government last month. Ben-Gurion now is acting as a caretaker premier.

With Lavon, a longtime political rival, out of the way, Ben-Gurion began his fight to restore the outgoing coalition government.

New Prime Minister Appointed In Congo

LEOPOLDVILLE (AP)—President Joseph Kasavubu today appointed a new government for the Congo, replacing the regime of commissioners established by Gen. Joseph Mobutu's military coup four months ago.

Mobutu himself was out of the capital during the frantic political maneuvering that preceded the announcement, but there was every indication the new regime will have the army's support.

The prime minister in the new provisional government is Joseph Ileo, Kasavubu's original choice for the post when he fired Patrice Lumumba and set off the internal political split that has brought the Congo to the brink of civil war.

Kasavubu said the government will stay in office until a parliament representing the whole country can be called. He set no time for this parliament to meet.

The government change apparently resulted from the flurry of talks attendant on the United Nations Security Council's current Congo debate and from the Kennedy administration's seeming willingness to consider a formula for the Congo that would include Lumumba's release from prison.

By turning the administration back to the politicians, Kasavubu apparently hoped to give a more representative basis to the government and to demonstrate that party leaders are competent to run the country.

The new government takes office today.

WHITE HOUSE RECEPTION

Caroline Kennedy Stays Up To Watch The Fun

WASHINGTON (AP) — Three-year-old Caroline Kennedy was fascinated by the scarlet-coated Marine Corps Band last night as she watched her parents give a big party at the White House.

The president's daughter stayed on the stairs to listen and watch. And for a while, she was in full view of the gathering of Washington's diplomatic corps as she stood with her nurse in the main corridor.

It was President and Mrs. John F. Kennedy's second major social event in the White House—a 5 to 7 p.m. diplomatic reception. But it was Caroline's first glimpse of a party in the huge home she has lived in for just five days. She obviously loved it.

And Mrs. Kennedy explained she'd rather have her daughter see the historic event first hand "than tell her about it afterwards."

The appearance of the president's little daughter in her white organdy party dress was just one of the warm, unexpected touches that greeted the foreign visitors.

The president and his wife, after shaking hands with 240 top diplomats and their wives, spent another 50 minutes chatting and visiting in the huge State Dining Room, where waiters served champagne and a buffet table was laden with canapes, sandwiches and pastries.

Mrs. Kennedy, in a pink brocade dress and jacket, spoke French to many of the guests.

There was an unexpected chance for ambassadors to have a word with the new president and many spoke earnestly with him.

Miller Praises Agriculture Aide

WASHINGTON (UPI) — Dr. James T. Ralph, newly nominated assistant secretary of agriculture, was praised yesterday by a California congressman as a "proponent of greater bargaining power for farmers."

Rep. Clement W. Miller (D-Corte Madera) made the statement in an extension of his remarks in the Congressional Record.

Miller said Ralph, former director of the California Department of Agriculture, had been known for his support of "self-help marketing agreements and orders, and for bargaining associations." He said Ralph's programs in California had received bipartisan support.

INQUIRY SLATED

Republicans Hit Missile Statement

WASHINGTON (AP)—A fresh congressional weapons inquiry was in the making today as Republicans assailed as political President John F. Kennedy's statement he isn't ready to say if there is a missile gap.

Responding to a demand by Sen. Prescott Bush (R-Conn.), chairman Richard B. Russell (D-Ga.) said the Senate Armed Services Committee will call service chiefs of staff before it about Feb. 20 for questioning on the issue as part of its annual review of national defense.

Senate Republican leader Everett M. Dirkson of Illinois called on Secretary of Defense Robert S. McNamara to "tell the truth" about a Pentagon briefing of newsmen which led to published reports there is no gap between American and Soviet missile strength.

Sen. Styles Bridges (R-N.H.) challenged as a "shifting of position to avoid the facts" Kennedy's repudiation of these reports at a news conference yesterday.

Dirksen said in an interview he is writing McNamara asking if a press briefing was held and whether the secretary wants to say that reporters were wrong in quoting a Pentagon spokesman as saying there was no missile gap.

"When you deal with missiles as President Kennedy did and make them the burden of your campaign and the center of the security section of your platform, you excite the apprehensions of the people," Dirksen said.

He added: "If President Eisenhower was right in saying there is no missile gap, then the Democrats don't owe him an apology, but they owe one to the American people."

Bridges, who heads the Senate Republican Policy Committee, said in a statement that during the election campaign Kennedy had contended there was a growing gap. Bridges noted that a Pentagon spokesman—who Kennedy conceded was McNamara — had said Monday there was no such gap.

"Mr. Kennedy, apparently, has felt the need to squelch the candor of the Pentagon in order to avoid discrediting the recent campaign tactics of the Democratic party," Bridges said. "Is this shifting of position to avoid the facts to be a hallmark of the new administration?"

Council-Manager Cities Increase

The number of cities in the United States and Canada that use the council-city manager form of government has doubled in the past 12 years, according to the International City Managers' Assn.

Of the 10 incorporated cities in Marin County, only two — Fairfax and Ross—do not use the council-manager government.

The council-manager plan is used by 49 per cent of the cities over 25,000 population and 38 per cent of the cities between 10,000 and 25,000. According to the association's 1961 directory, 84 cities adopted the plan last year.

Brief Naples Transit Strike Causes Riot

NAPLES, Italy (AP) — Steel-helmeted police patrolled downtown Naples today after a night of rioting by 4,000 commuters left stranded by a snap transport strike called at the height of the homeward rush.

Streetcars and buses to and from the suburbs reappeared on the debris-littered streets this morning. The transit company reinstated 17 employees whose suspension had caused the strike, and the other workers went back to their jobs.

There were no new disorders.

Repair crews started hauling away burned-out wrecks of streetcars and buses fired by angry commuters in a burning, window smashing rampage last night through the heart of this teeming industrial center of a million people — Italy's third largest city.

The transit workers had called a two-hour work stoppage yesterday afternoon as a demonstration for higher wages but it was supposed to end at 5:30 p.m. When the company suspended 17 workers for insubordination, the others walked off the job at the height of the rush hour, leaving thousands from the suburbs with no transport home.

Caught off guard, the company tried to set up an emergency service with hired buses. The tired, restless commuters fought among themselves to get on the relatively few buses available and then turned on the police when they intervened.

Sub Secrets Among Those Stolen In U.K.

LONDON (AP)—A witness testified today details of Britain's first nuclear submarine were among Royal Navy secrets stolen by five persons accused of spying for the Soviet Union.

The witness was Capt. George Symonds, director of the underwater weapons section of a naval research station at Portland. Symonds was shown photographs alleged by detectives to have been found in the possession of Gordon Lonsdale, one of the defendants, when he was arrested Jan. 7.

SECRET BOOK

The officer said the photographs were of pages of a secret book giving particulars—many of them highly secret—of British war vessels, including the nuclear sub Dreadnought.

The Dreadnought is powered with an atomic reactor based on U.S. Navy designs.

The five defendants watched while a security agent showed some of the spy gadgets they allegedly used in their work.

The agent, identified only as "Mr. L," demonstrated photographic apparatus he said was suitable for making microdots, a favorite Soviet method of transmitting information secretly.

BIT OF FILM

Each microdot is a tiny bit of film no larger than a printed period. But when properly magnified it blossoms out into a photograph of an entire page of typewriting or of a book.

"Mr. L" told a magistrate he found the microdot apparatus at the homes of three of the defendants—Lonsdale, 37; Peter Kroger, 50, and Kroger's wife Helen, 47.

The other defendants are Harry F. Houghton, 55, and Ethel Gee, 46, both employees of the underwater weapons department.

The prosecution says they furnished the secrets to Lonsdale, who took them to the Krogers for transmission to a spymaster in Moscow.

Films Trace Spread Of Reds

The Marin Cardinal Mindszenty Study Clubs will present two movies on the international scene Feb. 17 at 8 p.m. in the San Rafael High School Little Theater.

The first film to be shown, "Ten Nations and the U.S.A.," is a documented report based on interviews with various governmental officials and leaders. This will be followed by "Communism on the Map," which traces the movements of the spread of Communism throughout the world.

The films are open to the public and there is no admission charge.

Sub Sighted?

WASHINGTON (AP) — The Navy said today it was investigating the possibility that an unidentified submarine appeared off the eastern coast of the United States yesterday.

At the Pentagon, the Navy said it had received a report to that effect, but would not identify the source of the report or pinpoint the position where the submarine might have been.

Air Force Gen. Laurence S. Kuter told a news conference at San Diego yesterday that unidentified submarine was sighted only 40 miles off the big U. S. Naval Base at Norfolk, Va.

Mardi Gras Picks Up

NEW ORLEANS (UPI)—The gay, infectious feeling of festival returned to Mardi Gras today with a snappy, happy parade, chasing away the blues of a poor beginning.

A brightly-lit night parade of the Knights of Babylon seemed to push from memory the confusion of only 24 hours before, when the Gemini parade started an hour late, with no music, a strike of torch bearers, only eight floats and a poor crowd. The Krewe of Momus, another carnival promotion club, reigns today with a 14-float parade and a ball afterward to continue the weeks-long revelry.

Sentences Stand

PHILADELPHIA (UPI)—Federal Judge J. Cullen Ganey refused yesterday to suspend the 30-day prison sentences he imposed on seven top executives indicated for fixing prices and rigging bids on billions of dollars in heavy electrical equipment.

The film, "Operation Abolition," concerned the riots during hearings by the committee at San Francisco city hall last May.

Nims, pastor of the First Baptist Church in San Francisco, said a resolution passed by the church council last week was "irresponsible." The resolution suggested "caution" in showing the film.

Sun Lends Comfort To Frozen States

By ASSOCIATED PRESS

Sunny weather and rising temperatures lent a hand today as Virginia, Maryland and West Virginia dug out from a record snowfall that all but paralyzed the hardest hit areas.

Schools were closed in hundreds of localities in the three states. Two Virginia highways deaths were attributed to the storm.

The arrival of sunny skies and higher temperatures—expected to reach into the mid-40s—were helping some, but highway crews faced the enormous task of clearing roads.

Main highways were opening and traffic moving, but secondary routes were yet to get attention.

Even as the Weather Bureau reported the coastal low which brought so much snow, sleet and rain to the three state-area had moved well out to sea, it predicted increasing cloudiness and more snow for the mountain sections Saturday night.

Northern West Virginia had 11 inches of new snow atop 31 inches left from earlier storms. State roads officials said 20 per cent of the Jefferson-Berkeley-Morgan County area was isolated prior to the most recent storm. They said it will be several days before secondary routes are opened to traffic.

Depths up to 18 inches fell across a stretch up the Shenandoah Valley and into northern Virginia, adding a fresh layer to last week's storm. Combined depths in some places measured 29 inches, and winds pushed drifts of four and five feet across roads.

Book Arrests Stir Comment In New Jersey

EAST ORANGE, N. J. The howls of indignant citizens penetrated the quiet reading rooms of the public library today, but the gals in crepe-soled shoes stood firm. They want back their books.

Six delinquent book-borrowers have spent a night in jail. They and eight others were fined up to $25. The American Civil Liberties Union has accused the police department of almost "Gestapo-like tactics" for carrying out 12 library law arrests in the middle of the night.

But bespectacled library director Harold L. Roth was determined to press the other complaints he signed to get long overdue books back on his shelves.

"We can't very well back out now," Roth said.

To halt the crackdown "would be unfair" to those already fined in the case, he said.

Twelve suspects were hauled out of their homes between 10:20 p.m. Monday and 1:45 a.m. Tuesday and brought to police headquarters. They were booked and placed under $100 bail. Six couldn't raise the cash and spent the rest of the night in jail. They were given court hearings later Tuesday.

Mayor James Kelly, although back Roth, promised that "there will be no more arrests at night."

ASSEMBLYMAN WANTS STATE TO HAVE MOTTO

SACRAMENTO (AP) — Assemblyman Louis Francis, (R-San Mateo), has proposed California adopt a state motto—"In God We Trust."

"Although our federal government has a motto, for some strange reason, our state does not," Francis said.

The Arkansas Penitentiary System produces about twice as much cotton and rice per acre than the average Arkansas farm.

Sandoval Is Convicted Of Molesting Two Boys

REDWOOD CITY (UPI)—Jaime Sandoval was convicted yesterday of lewd and lascivious conduct with the two young sons of a couple who died under strange circumstances.

A jury of nine women and three men which heard the three-day trial returned the verdict after three hours deliberation. They found the 30-year-old former nurse guilty of molesting Gary, 12, and Jeffrey, 14, sons of Mr. and Mrs. Donald Douglas of Millbrae.

Mrs. Douglas was killed in a fall over a cliff in Puerto Rico while accompanied by Sandoval, who was the only witness. Her body was never recovered.

Douglas committed suicide a few days later in Marin County. He left a note saying he had mortgaged his home for $16,000 and loaned the money to Sandoval.

However, neither the death of Mrs. Douglas nor financial arrangements between the couple and Sandoval were brought up during the trial.

Superior Court Judge Louis B. Dematteis revoked Sandoval's $25,000 bail and ordered him to jail.

The judge appointed two psychiatrists to examine Sandoval to determine whether he is a sexual psycopath. The psychiatrists' reports will be given to the court Feb. 23.

Defense attorney Nathan Cohn said he would appeal the conviction, which carries a possible sentence of life in prison on each of the two counts.

To Head Delegation

Dr. John W. Hoag of Mill Valley, president-elect of the San Francisco and Marin Counties Optometric Society, will head a Marin delegation to the 56th annual congress of the California Optometric Assn. at the Jack Tar Hotel in San Francisco Feb. 15-18.

U.S. To File Suits Against Electric Firms

WASHINGTON (UPI) — Atty. Gen. Robert L. Kennedy announced today that the government will file damage suits "within two months" against the electrical firms sentenced earlier this week for price fixing rigging contracts.

The president's brother said at least 20 agencies of the federal government have purchased equipment from the 29 manufacturers of heavy electrical equipment who were sentenced in Philadelphia to fines totaling nearly two million dollars.

In a two-paragraph announcement, the attorney general said "the Justice Department expects to file the first complaint within two months."

The announcement said: "The Justice Department is preparing damage suits in the electrical anti-trust cases for the Tennessee Valley Authority, a government corporation, and on behalf of all other branches of the executive department.

Under the law, the federal government may sue for actual damages for anti-trust violations. Other victims of monopolistic practices may sue for triple damages under the Clayton Anti-Trust Law.

Many state and local authorities involved in the massive anti-trust conspiracy are considering possible damage suits.

The conspiracies ran from 1951 to 1960. Seven executives of the firms were sentenced to 30-day jail terms.

VALHALLA INN SIGN IS OUT BUT NOT DOWN

Last night, for the first time in 11 years, the neon sign on the roof of the Valhalla Inn in Sausalito was not lighted.

The darkening was ordered Tuesday by the city council, who also ordered that the sign be taken down this week.

Mrs. Marsha Owen (Sally Stanford), owner of the restaurant, said today: "If they want me out of town, I may get out but I'll take my [illegible] me. They won't get that."

She said that Clai Tatum, Bolinas artist and painter, designed a new sign for the sidewalk area at 201 Bridgeway and erected the sign not knowing he needed a building permit. Tatum will apply for a building permit, Mrs. Owen said. In the meantime, City Atty. John B. Ehlen is checking the legality of the new sign in a setback area, and will give the city his opinion tomorrow.

Regarding the sign on the roof, Mrs. Owen said, "I'll take it down as soon as I can. It's raining."

Marin-Wide Recreation Meeting Asked

The Larkspur Recreation Commission last night called for a meeting March 20 to consider forming a countywide council of park and recreation commissioners.

All Marin park and recreation commissioners will be invited to attend the session in Larkspur City Hall to talk over mutual problems, Larkspur commission chairman Peter Krug said.

The Larkspur City Council earlier this month approved Krug's proposal to form such a council.

The commission unanimously decided to ask the council to urge Marin Municipal Water District not to sell any of its property surrounding Larkspur, but to retain it as a green belt. The recommendation came from councilman Lesly D. Daveler, a recreation commissioner. The water district owns land both west and south of the city, Krug said.

The commission also discussed the proposed planting in Heather Gardens near the pumping station; elected Mrs. Dorothy Meyer its secretary, and decided to send a representative to the Marin County of Community Services meeting Feb. 16 at San Rafael High School.

Scenic Road System Will Be Proposed

I-J Special Report

SACRAMENTO — Establishment of a state scenic roads system, similar to the state freeways system established several years ago, will be proposed to the legislators late this month.

The recommendation will come as the result of a yearlong joint study by the state Departments of Public Works, Natural Resources, Water Resources and the State Planning Office. It was undertaken after passage last March of a resolution by Sen. Fred S. Farr of Carmel instructing the four agencies to make "specific recommendations for legislative or other action necessary for the planning and development of a system of scenic highways throughout the state.

The final report of the agencies, still in its final stages of formulation, probably will not attempt to define a "scenic road." Instead it will suggest that roads of scenic beauty throughout the state be designated first and then a definition of "scenic road" be developed to fit the roads selected.

The problem the agencies have faced in trying to define a scenic road, is that there are all types of roads throughout the state which are obviously scenic, but just as obviously different. A portion of Highway 40, for example, through the Sierra will probably be included in the system. It is a four-lane divided freeway. At the same time some meandering two-lane roads through the Mother Lode country also are both scenic and historic and would be included in the system.

Thinking of the agencies involved is that if a scenic roads system were to be formulated, it probably would not be a continuous circuit. Instead it would include portions of highways in specific scenic areas, with perhaps lengthy stretches, like Highway 1 down the coastline, and smaller loops of roads not necessarily connected with other parts of the scenic system.

Proponents of such a system hope that designation of scenic highways would mean (1) limited access from adjacent properties, such as freeways now enjoy; (2) landscaping and special attention to development of rights of way; (3) care in road design and construction to destroy a minimum of scenic values; (4) encouragement of counties and cities through which the roads pass to regulate adjacent land by zoning or purchase of scenic easement to guarantee continued scenic values.

The report also is expected to suggest that a method be included whereby a city or county could designate some of its own roads to have scenic value and be able to include them in the scenic roads system.

Ross Police Recommendations Due Council Session Tonight

A report by John D. Holstrom, retired Berkeley police chief, on the Ross Police Department is to be presented to the Ross Town Council at its meeting at 8 o'clock tonight in the town hall.

Holstrom's report, which Mayor Arthur Kanzee Jr. said he understands is about 70 pages long, details recommendations for a police department organization for Ross, with comment on present operations and suggested changes.

The council will also consider a request by Western Metals Structures for a variance to permit a "stilt" house, without setback, on a hillside lot on Baywood Avenue. A similar request by the same company was denied by the council last month.

John Berberich, 6-foot-8 senior, is the tallest man on the UCLA basketball squad.

Old Washer Parts Still Asked For

TOPEKA, Kan. (AP)—An old account ledger has been among the children's play things at the Donald Bolley home for several years.

The kids have mauled it, scrawled in it and torn out pages.

Recently, one of them ripped off the cover and out fell three $100 bills.

A coin dealer offered $120 each for an 1882 gold certificate and a 1903 bill. The third bill was an undated federal reserve note and will be cashed.

Firemen's Assn. To Buy Radio

The Tamalpais Valley Volunteer Firemen's Assn. has approved purchase of a radio receiver to monitor on wave bands 640 and 1240 in case of an air raid alert, Fire Chief Herbert (Bud) Owen said today.

Volunteers will purchase the receiver, costing $87.50, from proceeds from their Halloween dance.

Vote Slated At College

Five College of Marin students running for freshman and sophomore class representatives filed petitions of candidacy before the deadline today.

Elections will be held tomorrow from 11 a.m. to 1 p.m. in the college cafeteria. One man and one woman from each class will be elected.

Candidates are: Freshman, Jack Underwood of Kentfield, unopposed; Susan Hall of San Anselmo and Sally Witherow of Kentfield; Sophomore, John Wasserman of Mill Valley and Karen Hirst of Kentfield, both unopposed.

To be eligible for office a student must be enrolled on a fulltime basis, have at least a C average and submit a petition carrying 120 signatures.

Garden Center Classes To Start

Art classes for children 5 through 12 resume Saturday at the Marin Art and Garden Center in Ross.

Sponsored by the Marin Society of Artists, the classes are instructed by Mrs. Miriam Rice and Mrs. Joan Pera and include painting and clay techniques.

The class for children 5 through 8 begin at 9 a.m. and the class for those 9 through 12 begins at 10:30 a.m.

A fee to cover the cost of materials is charged.

Baker Chorale Winter Concert Slated Feb. 18

The 75-voice Winifred Baker Chorale will present its winter concert Feb. 18 at 8 p.m. in Angelico Hall of Dominican College.

It will feature the world premiere of a work Mrs. Baker has commissioned, "Therefore With Angels," by Robert Kelligar of Berkeley. Manager of the Oakland Symphony, Kelliger is a longtime pupil of world-famous Darius Milhaud, composer in residence at Mills College, and Marin alumnae of the college will sponsor the concert.

"Therefore With Angels" is the musical setting of a poem by San Rafael poet Margaret Albanese based on the Preface and Sanctus from the Book of Common Prayer.

Accompanying this work will be San Francisco organist Ludwig Altman. Altman and the Winifred Baker orchestra will also accompany the other works on the program, two Gustav Holst "Psalms" and Zoltan Kodaly's "Te Deum."

RUMBLE ON AUTO ROW

Chicago auto dealer Frank Hilker wants the rumble seat — that back-seat car design of the 1920s and early 1930s to come back. He designed one for a custom auto he made, and Jessie Eberhardt tries it out with him. Hilker hopes to interest Studebaker Corp. in making the folding seat a standard accessory on their coupes and convertibles. (A PWirephoto)

Fairfax Man Resists Fee For Garbage

Judge Joseph G. Wilson of Marin Municipal Court must decide whether a Fairfax resident can be compelled to pay for garbage collection even if he does not need and does not want the service.

John A. Celle, a produce man living at 25 Pacheco Avenue, contends he does not need the garbage service, and the city has no right to force him to pay for it. The city went to court, charging Celle with violation of a city ordinance.

Celle's attorney, Carl B. Shapiro, yesterday argued before Judge Wilson that the city ordinance requiring that all residents contract for garbage service is unconstitutional. Shapiro pointed out that Rico Roffi has the exclusive franchise to collect garbage in Fairfax.

If Celle must pay the garbage fee under the city ordinance, then the city is giving a private individual (Roffi) the right to collect taxes, Shapiro contended. "It compels a citizen to take garbage service whether or not he has any garbage to dispose, and it does not permit anyone to dispose of garbage in any other way," the attorney declared.

"An ordinance compelling a person to subscribe to a service whether he needs it or not, is unconstitutional," Shapiro declared.

Judge Wilson took the matter under submission.

S. F.'s MAYOR SAYS RIOT FILM ACCURATE

SAN FRANCISCO (AP) — Mayor George Christopher says a film of last May's rioting in and around city hall "is authentic and tells the real story."

The riots took place at a hearing in the city hall by the House Un-American Activities Committee.

The film, "Operation Abolition" has been widely distributed and has caused a furor, both pro and con.

The mayor said yesterday, "known Communists—and I repeat—known Communists, were in the lead of these demonstrations. The pictures, I believe, speak for themselves. They are authentic and they tell the real story."

Critics of the film say it was "doctored."

Trustees Due Report On College Gym

College of Marin trustees will hear a report at 8 p.m. today from the state fire marshal on the condition of the college gymnasium and other buildings. The board will meet in the art building.

The gymnasium was ordered closed Jan. 12 as a serious fire hazard, after a report by Kentfield Fire Chief John McLeran.

The board also will hear architects' recommendations relating to the fire marshal's report.

The trustees also will consider payments to four teachers who sued the district in 1958 over tenure rights and loss of pay after the college dropped the San Quentin prison education program. The payments recommended are the result of negotiations by the county counsel previously approved by the board.

A six-week summer session, June 19-July 28, will be considered by the trustees.

Sausalito Postmaster Among Those Held Up By Kennedy

President John F. Kennedy today withdrew from the Senate 1,241 postmaster nominations submitted by former President Dwight D. Eisenhower in January—including that of Mrs. Dorothy E. Finn to be postmaster of Sausalito.

Eisenhower submitted 1,160 postmaster nominations Jan. 10, another 51 on Jan. 17 and 30 more on the morning of Jan. 20, the date his term expired. None has yet been acted on by the Senate.

Included in the list submitted Jan. 17 was the name of Mrs. Finn, who has been acting postmaster since the April 30, 1959, retirement of Thomas Baird.

Mrs. Finn and five other candidates for the Sausalito postmastership took an examination in the fall of 1959 but all failed to pass. Subsequently another examination was given, which she and eight others took. She passed that examination and her appointment as postmaster was recommended last March by the Marin County Republican Central Committee.

Although postmaster candidates must pass a civil service examination to qualify, it is customary for the administration to nominate candidates of its own party who have passed the examination. Mrs. Finn is a Republican.

Novato Citizens, Planners Told Residential Area Needs

Eight citizen committees and the Novato Planning Commission heard how the needs of a residential area are decided at the second of a series of planning sessions last night.

County Planning staff members told the 51 committee members present how surveys, topography and projected population figures help to determine school, shopping, recreation and other needs.

The committees and the city planning commission will use the information in drawing up a master plan for Novato to replace the county plan now unofficially used as a guide. The county planning staff is under contract to the city for technical advice.

The next public planning session will be at 8 p.m. next Wednesday in the school cafeteria.

Fire Destroys Bolinas Shed

A storage shed behind the summer house of E. G. Ord on Brighton Avenue, Bolinas, burned last night with loss estimated by Fire Chief Peter Martin at between $1,000 and $2,000.

The Ords were at home at 214 Forbes Avenue in San Rafael when the blaze broke out.

Martin said that the fire, which started at about 7:45 p.m., was believed to have been caused by spontaneous combustion. Paint had been stored in the shed, he said.

Fifteen volunteers turned out in heavy rain to try to save the shed. The Bolinas Fire Department used its new one-ton truck for the first time.

Inverness Park Water 'Safe' Again

Inverness Park water was removed from the "unsafe" list yesterday by the Marin County Health Department.

The Inverness Park water system has resumed chlorination and the water, about which a warning was issued several weeks ago, is now safe to drink, reported William L. Desmond, the health department's sanitation director.

Permit Is Sought To Dredge Area

Lee R. Miller of 27 Fern Road, Kentfield, has sought permission from the Army Engineers Corps to dredge a small area in Corte Madera Creek toward the channel from the foot of his property at 69 Greenbrae Boardwalk. Dredged material is to be deposited on the applicant's property at the shore edge where it is to be retained by a bulkhead.

Any objections on navigational grounds should be submitted in triplicate before March 8 to the Army Engineer District, 180 New Montgomery Street, San Francisco.

Council Will Meet

The Belvedere City Council will hold its adjourned meeting tonight at 8 o'clock in the community hall to discuss election code regulations for the special election it plans to call on the 500-foot Cove Road property acquisition by the city.

OVER THE BIG BUBBLE

Four F-101B all-weather interceptor planes from Hamilton Air Force Base fly over the recently completed 666th Radar Squadron's radar installation atop Mount Tamalpais. The rigid 60-foot tall bubble is made of equilateral triangles of yellow fiberglass bolted together and cemented with caulking compound. Triangles are translucent and enable radar energy to pass through. A previous bubble, disassembled in 1959, was of rubber and had to have air pressure inside to keep it inflated. Inside the dome is radar antenna; tower section has electrical equipment where radar maintenance men are on alert 24 hours a day. Protrusions from base are ventilators; bubble can withstand up to 100 miles per hour winds. (Air Force photo)

Boy Scout Council Of Marin Out Of Debt

All indebtedness of Marin Council, Boy Scouts of America, has been cleared and during last year the council operated without deficit, according to report today by Storrs H. Smith, scout executive.

He said there were curtailments in program services and organizational efforts to live within the council's income.

A membership gain of 5 per cent during the past year was reported, with net membership last Dec 1 of 5,142 boys as compared with 4,900 on the same date in 1959. Total number of boys served was 7,216 during the year, said Smith.

Marin United Fund contributed $49,689 toward a council budget of $90,513, Smith said.

To this was added $36,499 from sustaining members and direct contributors, with council earnings of $3,551 used in the operational budget which thus reached a total of $89,739.

Operating expenses were $84,765. A 1957 operating indebtedness of $3,994 was paid to leave $980 on hand at end of year.

During the year $10,485 noninterest bearing notes against Marin-Sierra Camp Site near Emigrant Gap in the Sierras were canceled by noteholders or paid off. Out of capital account $3,923 was spent for Marin-Sierra and Tamarancho Camp improvement with $14,765 left in capital account, earmarked by contributors for camps, ranger facility and memorial chapel.

Smith reported that Marin Council ranks first out of 54 in Region 12 in boy membership as against boys available between 8 and 17 years of age.

PLAN WOULD PUT CONSUMER AIDE ON OWN

SACRAMENTO (UPI) — Assemblyman Howard Thelin (R-Glendale) proposed today that the state consumer counsel become a constitutional officer removed from control of governors.

"A true consumer counsel must be in a position to speak out without fear or favor," he said.

Thelin voted against a 1959 bill to establish the position now held by Mrs. Helen Nelson of Mill Valley, and his ire was raised when Mrs. Nelson refused to appear before committees on a Republican proposal to save taxpayers 10 million dollars annually by making the cigarette tax deductible from income taxes.

Home Adviser Cautions On Use Of Bleaches

Recently reported return of a high iron content in Marin Municipal Water District water needn't completely halt home bleaching—it's just a question of picking the proper bleach during such troublesome times, and it's not a chlorine one.

So says Virginia Porter, home adviser with the University of California Agricultural Extension Service. She concedes that extra care must be taken to avoid rusty-looking streaks on clothe but says there are simple methods to prevent this.

"The main problem is to avoid chlorine bleaches completely while this condition exists," says Mrs. Porter. "If bleaching is necessary, a perborate bleach should be used. The perborate bleaches are usually sold in powder form. If in doubt, read the label."

Another possibility, according to Mrs. Porter, is to use a water conditioner in the wash cycle. But she warned to "be sure you are using a non-precipitating conditioner and not just a water softener.

"Here again the labels will tell you what you have," says this authority. "And of course, still keep away from the chlorine bleaches."

Mrs. Porter suggested that if brownish streaks show up on bathtub or wash basins the perborate bleaches are helpful in removing them. But most ordinary household cleansers today contain chlorine, she cautioned, saying that their use will only make the stain worse.

Mrs. Porter said she has four leaflets to give further advice and they may be had by writing her at P.O. Box 457, San Rafael.

Non-Union Cities' Work Protested

Protests have been addressed by the Marin County Building Trades Council to the cities of Larkspur and Novato because of non-union painting of municipal buildings.

Union painters will be assigned to do municipal work gratis if the municipalities haven't the money to pay, it was indicated.

In Larkspur, miscellaneous city employees did interior painting in the city hall on their own time. In Novato a group of residents painted the old Northwestern Pacific railroad station for police station use.

George Scott, president of the Building Trades Council, wrote Mayor Arthur Storhaug of Larkspur that the council "must vigorously oppose this kind of action" because union painters who pay taxes are out of work and such jobs should be "let out under contract to reliable licensed contractors."

A softer tone was taken toward the new city of Novato. Scott indicated awarness of Novato's financial problems, said it was realized that "your city may not have monies at this time to do all the things they would like done," and added:

"If you had approached the local union in regard to your predicament, I am sure that they would have furnished you painters free of charge."

Wives' Dinner Set

Plans for the Belvedere Volunteer Firemen's Assn. annual dinner for wives were made at last night's meeting, according to president John A. Ericson. The dinner, a traditional affair, will start at 7 p.m. Feb. 18 in the Belvedere firehouse.

Tiburon Fishing Pier To Be Dedicated Sunday

Tiburon's controversial Elephant Rock fishing pier for Marin County children will be dedicated Sunday at 2 p.m.

The fishing platform, dedicated to the memory of Robert L. (Bunkie) Keener, who drowned at a nearby fishing spot last Oct. 1, is 70 feet out from Tiburon Boulevard and the circular boards have a high safety railing.

Willis A. Evans, fisheries management supervisor of the State Department of Fish and Game for the north and south coasts of San Francisco Bay, will be speaker. An offshore patrol will be provided by the Marin County sheriff's marine patrol. Capt. Theodore F. Parnow, Marin County California Highway Patrol head, will supervise parking for the ceremony.

For the children there will be prizes donated by Tiburon merchants and free bait for all children who wish to fish.

"It is hoped that southern Marin Supervisor J. Walter Blair will be able to attend," Tiburon Chamber of Commerce President William S. Johnstone said. Blair instigated the project, and the construction was done under supervision of Fred G. Zelinsky. Blair is in Marin General Hospital for treatment of an internal disorder.

Contributions are needed to defray construction costs, according to Johnstone. They may be sent to him in care of the Tiburon Chamber of Commerce, or given to any of the chamber directors.

Hospital Says Marilyn Is Being Treated

NEW YORK (AP)—Screen star Marilyn Monroe is under treatment for "an illness of undetermined origin," New York hospital said last night.

A hospital spokesman added that the blonde beauty's condition is satisfactory. He said she entered last Sunday but would give no details.

Miss Monroe divorced playwright Arthur Miller in Mexico two weeks ago. Neither was present when the decree was handed down on grounds of "incompatibility of character."

Last September the film star, while making her latest picture, "The Misfits," bowed out for a week to be treated at Hollywood Hospital. According to her doctor, she was suffering from exhaustion.

The New York Daily News said that Miss Monroe has been a patient for the past two months at the hospital's Payne Whitney Psychiatric Clinic—a part of New York Hospital—Cornell Medical Center.

The newspaper said the actress has been seen around town from time to time because she has the privilege of periodically leaving the hospital on a pass.

The average monthly population increase in California is 39,776.

Today's youth is all for rockets; so much so that in Topeka, Kan., there's rivalry among teen-agers to get into space first. This group put the finishing touches on a home-made rocket and hoped to send a mouse aloft with a parachute. They are all waiting for a break in the snowy winter weather to test their home-made rockets. (AP Wirephoto)

Man Cleared Of Inn Holdup

A Richmond man, arrested on suspicion of robbing Edgewater Inn on Jan. 21, was freed of all charges in Marin Municipal Court yesterday on recommendation of the district attorney.

Nathaniel McDaniel, 23,, voluntarily took a lie test, Deputy Dist. Atty. Hadden Roth reported. The test indicates doubt as to McDaniel's involvement in the two-man holdup, said Roth. Furthermore, the victim of the robbery could not make a positive identification.

Low Bid Accepted For Ross Sewer Plant Expansion

A low bid of $326,783 by C. Norman Peterson, Berkeley general contractor, was accepted last night by the Ross Valley Sanitary District board for enlargement of the district plant facilities.

The highest of the 10 bids entered was $367,500 from North Bay Construction Co. of Santa Rosa.

The project is expected to begin about March 1, according to Ralph C. Noah, district manager. Plans call for addition of a bio-filter, clarifier, centrifuge and enlargement of control buildings at the plant east of Sir Francis Drake Boulevard in Greenbrae.

The additional facilities will increase the plant's capacity by about one million gallons of sewage daily. Funds for the project will come from the $900,000 bond issue passed last summer by voters in the Corte Madera Sanitary District. Ross Valley facilities handle Corte Madera sewage.

The 18 million union workers in the United States include three and one-half million women.

Sausalito Zones Due Part-By-Part Review

Sausalito planning commissioners decided last night to divide up the sections of the city's long-delayed new zoning ordinance, each taking one for review by the March 8 meeting.

This means of speeding work on the ordinance, long stymied by vacancies on the commission after public hearings were held nearly a year ago, was suggested by commissioner Robert E. McCabe and accepted unanimously.

McCabe forecast in a report to the commission that developers eager for profits in Sausalito will attempt "to capitalize on every omission and loophole in the zoning ordinance."

The commission recommended to the city council that the city establish a five member "community appearance advisory board" and suggested it include an architect, designer, landscape architect and artist.

The commission approved a use permit for a seven-unit apartment for Coldwell, Banker and Co. at Second and South streets. It also approved a use permit for a three-unit apartment house at Napa and Filbert Streets for George Ward Kamp Jr.

HEALTH

son will choose his own doctor and hospital."

The program is a modified version of one which Congress refused to enact last year, approving instead a program of federal-state health care grants for needy old people not on relief. The AFL-CIO backs the social security approach, and the American Medical Assn. is a prime opponent.

For persons 65 years and older, the president said the social security system should provide:

1. "In-patient hospital services up to 90 days in a single spell of illness, for all costs in excess of $10 per day for the first nine days (with a minimum of $20) and full costs for the remaining 81 days. . . ."

2. "Skilled nursing home services up to 180 days immediately after discharge from a hospital . . . an individual could, in short, receive two days of skilled nursing home care in place of one day of hospital care when this satisfies his requirements."

3. "Hospital outpatient clinic diagnostic services for all costs in excess of $20."

4. "Community visiting nurse services, and related home health services, for a limited period of time . . . (to) enable many older people to receive proper health care in their own homes."

Kennedy asked Congress to make the insurance benefits available to the 13.7 million persons over 65 who are eligible for social security benefits and the 500,000 in the same age group who are eligible for railroad retirement benefits.

The plan would go into effect on a limited basis—without the nursing provisions—on July 1, 1962.

The financing would be through a one-quarter of 1 per cent increase in social security taxes on both employers and employees, effective in 1963. The maximum earnings that could be taxed would rise from $4,800 to $5,000 in 1962, providing an initial revenue increase of $400 million for that year.

Authorities said the remainder of Kennedy's program, to be financed from general revenues, would add at least 56 million dollars to appropriation requests in fiscal 1962 and 177 million dollars in fiscal 1963, with actual spending increases of 21 million and 55 million in those years. Much of the program would cover 10 years, but there was no total available for that period.

The major costs would include action to provide more and better medical and dental schools in order to boost the quantity and quality of doctors. Scholarships would be a key part of this effort.

Ross Valley Demos Elect Officers

Albert E. Gately of Fairfax was elected chairman of the newly organized Ross Valley Democratic Club at its second meeting last night.

Others chosen including Jules Becker of Ross, vice chairman; Mrs. Elaine Guthrie of Ross, secretary, and Joan Hooper of Larkspur, treasurer.

Elected directors from six contenders were Jay Hutchinson of Fairfax, Irwin Kaufman of Sleepy Hollow, in whose home the meeting was held, and Mrs. Carolyn Merman of San Anselmo.

Three delegates were chosen to attend an issues conference of the California Democratic Council convention in Santa Monica next month. They are Mrs. Guthrie Gately and Mrs. Rebecca Watkins.

Tax Refund Mailings To Be Swift

WASHINGTON (AP)—The International Revenue Service reports it is distributing more than four billion dollars in income tax refunds as rapidly as possible in an effort to stimulate the economy.

However, IRS Commissioner Mortimer M. Caplin said the job could be done faster if more taxpayers filed their returns early.

"We want very much to pay out these refunds as rapidly as possible to help stimulate the nation's economy during this period of economic slack," Caplin said.

He estimated that refunds would be paid within five weeks on returns filed now.

The deadline for filing income tax returns is April 17 this year because the normal April 15 deadline falls on a Saturday.

vember and January.

More than half of the 150 major areas are now classified as having substantial unemployment—that is, more than 6 per cent of their workers idle. Some of the areas reported an unemployment rate exceeding 12 per cent.

New areas added to the substantial unemployment category, besides those already mentioned, include Peoria, Ill.; Akron, Ohio; Allentown, Bethlehem, Easton, Pa.; Asheville, N.C.; Corpus Christi, Tex.; Flint, Grand Rapids, Mich.; Knoxville, Tenn.; Louisville, Ky.; Mobile, Ala.; New Brunswick, Perth Amboy, N.J.; Portland, Ore.; Savannah, Ga.; Tacoma, Wash.; Toledo, Ohio; Worcester, Mass., and York, Pa.

The number of major areas now reported with substantial unemployment is 76, largest total reported since the low point point of the 1958 recession when 89 major areas were so classified.

In addition to the 25 major areas added to the substantial unemployment list, 28 smaller labor market areas were added to a separate critical list for smaller communities.

To State Case On TV

Dr. J. Lyman Hurlbut of Larkspur, who resigned as an alternate delegate of the Marin County Medical Society to a California Medical Assn. legislative meeting, because he refused to sign the required loyalty oath, will state his case in a brief interview on television KGO (Channel 7) between 6 and 6:30 p.m. today.

friend asnwered the advertisement and met Sangster at Juanita's Galley. They talked for an hour or more. He invited the 16-year-old to go on an 18-day trip to Europe. She declined.

He said he did not know anyone in Marin County and wanted to meet some the girls' friends. They drove in Sangster's 1950 green Cadillac to a teen-aged boy's home in Mill Valley and talked until 1:30 a.m.

After that rendezvous, the girl said she received several telephone calls from Sangster. At one point, the girl invited him to a party on a Saturday, but just before the event, Stangster called up and said he could not make it. The girls never saw him after their first meeting.

Here are some of the other responses which Sangster got on his advertisement:

A man asked him to meet him at Kezar Stadium on a jewelry deal. They met again at the Union Garage in San Francisco. Inspector Melovich said the case involved jewelry and a trip to England. But it never went through.

Another was a call for Sangster to dispose of $10,000 worth of jewels and a mink stole for $3,500. He was to get a share of that profit. Sangster backed out of this deal.

Inspectors Melovich and Argento, sifting information gathered from Sangster's acquaintances in the East Bay, learned he was a "fast man" with women, mostly married women.

Sangster was a versatile character, said Melovich. "In the low rent districts of the East Bay, he was a bum. In the Lake Merritt area, he was an immaculately dressed man of class."

Investigators have learned that Sangster was seen alive as late as last Wednesday afternoon in Oakland. A receptionist at a beauty shop said she saw him walking on 23rd Street at 3:30 p.m. Feb. 1.

Sangster was honorably discharged from the Marine Corp about 1954. He has a former wife believed now living in the Los Angeles area with their child.

An autopsy showed Sangster's body contained no food at all at the time of death, it was disclosed today.

Sangster's work was just as versatile as his manner. His brother said that Sangster was also a teamster at one time, capable of driving heavy trucks. He was also a carpetlayer, a fair mechanic, and a salesman.

Terra Linda High Elects Officers

Sophomore Ray Miller will be student body president at Terra Linda High School for the spring semester.

The student body, comprised only of freshmen and sophomores thus far, picked Miller yesterday over classmate Jerry Daniele in a runoff election.

Miller, who lives at 817 Descanso Way, Santa Venetia, succeeds Jim Beaufait, who is the present student body leader.

Other officers who will serve with Miller are Charles Izenour, vice president; Wesley Davison, treasurer; and Marrijo Boyden, secretary. Merrijo is the only freshman; others are all sophomores.

Vote tallies were not announced.

State Board Approves Dixie Loan

A loan of $148,985 to the Dixie School District was authorized yesterday by the State Allocation Board in Sacramento. The money is to be used for acquisition of 17 acres for the site of the future Miller Creek School.

Money will come from the state school building aid fund and is a final part of an original three-million-dollar authorization voted by an election in the Dixie district in 1955.

Supt. Dennie B. Willis pointed out today that before building on the Miller Creek site, the Terra Linda Valley site or making further additions to existing schools, a proposed bond authorization to come before voters next April 18 must be passed.

New Book Has War Letters

MADISON, Wis. (AP)—"Well, Mary," is the title of a new book comprised entirely of the letters of a Civil War soldier, written to a Wisconsin girl he later married.

The University of Wisconsin Press has published the volume which is made up of letters from John Brobst of the 25th Wisconsin Infantry to Mary Englesby of Gilmanton, Wis.

They contain first-hand accounts of service at Vicksburg, with Sherman on the march to Atlanta, of scouting for food and enemy guerrillas and of contempt for "the ineffective army of the Potomac."

Slayer Gets Death

OAKLAND (AP)—A superior court judge yesterday sentenced a killer to death under two names—Bertrand Joseph Houk Jr. and Mohammed Abdullah—for shooting to death a University of California coed.

Houk, 22, a former U.C. student, had taken the second name when he was converted to the Moslem faith. He shot blonde Sonja Hoff, 21, as she read in the campus library last July 31 because she had stopped going with him.

Terry Fox, Detroit Tiger rookie pitcher obtained from Milwaukee, won 21 games for New Iberia, La., in the Evangeline League in 1955.

Two Air Force Units In Marin May Combine

The new Air Force communications command to be born July 1 is expected to result in the combining of two Hamilton Air Force Base units.

Under the new command, the 1902nd Airways and Air Communications Squadron at the base and the 4661st Communications Support Squadron may be combined into one unit aimed at consolidating communications.

The new unit would be under command of the proposed communications service with headquarters at Scott Air Force Base, Ill., and composed of 60,000 to 70,000 personnel, worldwide. The unit will come into being July 1 with pooling of various communications groups in the Air Force to be completed by July, 1963.

At Hamilton, the 1902nd AACS handles the control tower for the base's radar approach control instrument landing system. The 4661st Support Squadron handles local communications, such as ground radio to air police and other units, the telephone exchange and teletypes.

Communications connected with SAGE (semi-automatic ground environment, a radar system to guide intercepting planes) and connected with the Mount Tamalpais radar site may remain under more localized control.

Safeway Stores Made Profit Of $34 Million In '60

OAKLAND (UPI) — Safeway Stores made a net profit of $34,817,689 in 1960 which, afamounted to $2.72 per common share the food company has announced.

Safeway's net profit in 1959 was $35,701,190 or $2.80 per common share. Safeway's fiscal year 1960 consisted of 52 weeks while fiscal 1959 had 53 weeks.

Safeway's earnings amounted to 92 cents a share for the final 16 week period of 1960 compared to 90 cents for the comparable period of 1959, which was 17 weeks.

For the 52 weeks of 1960 Safeway's consolidated sales were $2,468,972,786 compared to $2,383,011,483 in the 53 weeks of 1959. This was a 3.6 per cent increase.

Safeway opened 191 new retail stores and closed 148 older locations in 1960. This left 2,207 stores in operation at the close of 1960 as compared to 2,164 at the end of 1959.

Marin City Attorney

Attorney Tom Ryan has been hired by the Marin City Tenants Council to study the redevelopment contract being drawn up with redeveloper James Scheuer and report to the council and Marin City residents. The Independent-Journal yesterday reported the attorney's name as Tom Roinde.

Health Department Volunteers To Be Honored Tomorrow

Marin County Health Department volunteers will be guests of honor at the department's annual "kaffee klatsch" tomorrow at 9:30 a.m.

Invitations have been mailed to 107 volunteer staff members who served the department's programs regularly during the year 1960. Invited also are chairmen of the 10 organizations who serve as sponsors for the department's child health conferences, and of one which provides assistance to the public health laboratory.

Coffee and a social half hour will be followed by a program on services to children with physical handicaps. Members of the staff of Marindale School will demonstrate the special teaching methods, speech therapy, occupational and physical therapy services available to handicapped children.

Dr. Carolyn Albrecht, county health officer, reports that a total of approximately 2,250 volunteer hours were contributed by individual volunteers during the past year.

CLAIMS

Continued from page 1

33.5 per cent above those in January, 1960.

The increase in number of relief cases was not so large, percentagewise, as that in the dollar outlay, going up by 14.5 per cent over December but by only 7.81 per cent over January, 1960. More persons were on relief for the entire month, and their costs were higher, accounting for the discrepancy.

There were 497 persons on general relief in Marin last month, receiving total payments of $16,370.14, Miss Presley said. In December, 434 persons on relief received payments totaling $14,653. In January of last year, 461 received $12,263.38.

Number of families receiving aid of needy children funds last year—distinct from general relief — totaled 341, compared with 337 in December and 285 in January of 1960, Miss Presley said.

These families included 846 children last month, 841 in December and 734 in January of last year, she noted. Payments of aid to needy children totaled $53,442 last month, up 25.9 per cent over the $42,448 of January, 1960. The December pay-out was $53,099.

Terra Linda High Recreation Slated

An evening recreation program for teen-agers and adults will be held at Terra Linda High School beginning Tuesday.

The program including instruction and participation in badminton and volleyball will be held on Tuesdays from 7 to 9:30 p.m. It is sponsored by the San Rafael Parks and Recreation Department. There is no charge.

OBITUARIES

Former City Councilman's Wife Dies

Roberta D. Wood, 59, wife of Homer H. Wood, former San Rafael city councilman, died early today in a Los Angeles hospital.

Mrs. Wood, who lived in San Rafael until two years ago when her husband's business took him to Los Angeles, was born in Willits, Mendocino County, and came to Marin County when she was a small girl. The couple lived at Lincoln and Paloma Avenues in San Rafael.

She was a member of the San Rafael Improvement Club and San Rafael Chapter 215, Order of Eastern Star.

Her husband served two terms on the San Rafael City Council, from 1947 to 1955. He is employed by the Shell Oil Co. in Los Angeles. He is now recovering at home from an operation which was performed last week.

She was taken to the hospital late yesterday with a cerebral hemorrhage and died at 4 a.m. today.

A brother, Dr. E. L. Dreyden of Sacramento, also survives.

Funeral services will be held at Harry M. Williams Mortuary in San Rafael on Monday at 11 a.m. Interment will be in Mount Tamalpais Cemetery in San Rafael.

ISAAC M. HIND

Isaac M. Hind, 78, father of Mrs. Dorothy Kingsland of Novato and brother of Mrs. Martha Cebalo of San Rafael, died yesterday in a San Francisco hospital.

A retired blacksmith, Hind lived in Tiburon for about 15 years prior to World War I. He worked as a blacksmith for the City and County of San Francisco for 30 years. He was a native of Scotland.

Hind was a member of Mill Valley Lodge 356, Free and Accepted Masons, and Mission Chapter 79, Royal Arch Masons. He was also a member of the Trowel Club and the Amity Lodge, Order of Eastern Star in San Francisco.

Survivors include his wife, Mrs. Gladys Hind of San Francisco; a daughter, Mrs. Ethel Edwards of Missouri; a sister, Mrs. Margaret Spears of Pennsylvania, and three brothers, William of Honolulu, Robert of Pennsylvania and Alex of Oakland.

He was taken to the hospital on Tuesday with a lung congestion and died yesterday noon.

Funeral services will be held Saturday at 11 a.m. at the chapel of Gantner-Maison-Domergue, San Francisco, under auspices of the Mill Valley Lodge of F&AM. Inurnment will be at Mount Olivet Memorial Park in Colma.

Boards Discuss Site For School

Trustees of the Stinson Beach and Bolinas School district boards discussed the possible necessity of land purchase for future school expansion last night but took no action.

The trustees, Arthur E. Carpenter, clerk of the Bolinas board said, felt expansion will be needed within 10 years and that it is reasonable to look into land purchase now. Carpenter said that 10 acres per school plant would be needed if a state loan was considered for school expansion.

The Bolinas-Stinson interim school board will meet Feb. 22

'Tighten Belts,' Solon Urges Unemployed

SACRAMENTO (AP)—Fate of a bill to speed up emergency jobless pay in California was left in serious doubt today by a legislative committee's decision to await possible federal action.

Sen. Donald L. Grunsky (R-Watsonville) suggested that the unemployed "tighten their belts" in the meantime.

The bill, by Sen. Stanford C. Shaw (D-Ontario), would provide 13 additional weeks of unemployment insurance beginning March 1 for about 55,000 workers.

Grunsky, terming the bill a "mere gesture," and Roger Davis, speaking for major employer associations, noted the prospect of federal legislation to finance the extended benefits.

Tough Narcotics Bills Labeled 'Hysterical'

SACRAMENTO (AP)—A State Bar Assn. leader today warned legislators against proposed tougher narcotics bills he termed "hysterical," unconstitutional and unrealistic.

Leo Friedman, chairman of the association's Criminal Law and Procedures Committee for Northern California, added many legislators supporting the bills are primarily seeking political propaganda benefits.

Friedman said his committee has voted to recommend against laws to permit police unlimited search and seizure powers and to provide longer jail terms for narcotics violators.

In an interview, Friedman said, "As to the search and seizure bill, in my opinion there is no reason law enforcement officers cannot obey the law and still get convictions."

The bill would allow use in court of evidence gained by illegal search and seizure, which Friedman said is unconstitutional.

"And enacting tougher penalties because of present hysteria over narcotics could lead to worse crimes—such as murder—by persons seeking to avoid capture," he added.

Friedman said a Southern California committee will consider the narcotic bills Saturday. He added the southern group opposed similar legislation before the 1959 legislature.

The San Francisco attorney said the present bills stemmed generally from "hysteria among law enforcement officers."

There were 98,893 registered civil and commrecial aircraft in the U.S. at the end of 1958, nearly 452 per cent more than at the end of 1940.

Loyalty Oath End Urged In Measure

SACRAMENTO (AP) — Repeal of the loyalty oath taken by state, county and city employees was proposed today by Assemblyman John O'Connell (D-San Francisco).

Instead, he suggested, the employees would sign an affirmative pledge to uphold the constitution—an oath now taken by officers of the armed forces.

Twenty-one other assemblymen have signed the bill, he said.

"I believe employees will not object to taking this positive oath," he said.

The present oath, which requires the signer to say he has not been a member of a subversive organization the past five years, is useless, O'Connell said.

Fewer Method Courses For Teachers Proposed

SACRAMENTO (AP)—Some of the top brains in the state today urged the legislature to go farther than the Education Department proposes in requiring more matter and less method in teacher training.

A "Committee for Improving Teacher Education" proposes a strict definition of academic majors to be required of all teachers, a limit on the number of method courses a school can require, and requiring all administrators to hold a standard teaching credential.

The committee, with headquarters in Santa Barbara, lists an impressive array of sponsors including scientists Harold C. Urey, Edward Teller, Harrison Brown and George V. Beadle and professors Peter Odegard, Foster Sherwood, Wallace Stegner and Robert A. Walker.

The State Education Department, in a bill introduced by Sen. Hugo Fisher (D-San Diego), proposes to reduce the number of teacher credentials from 15 to 5, to require an "academic" major with five years of college for all standard credentials, and to allow the State Board of Education to determine how many how-to-teach courses should be required.

The committee says "academic" should be defined as the natural sciences, and social sciences other than education, the humanities, and such fine arts field as emphasize theory and history.

Louisiana State University scientists have developed a way of using bacteria to locate oil deposits. The bacteria thrive in areas where gases containing hydrocarbons rise from the underground oil.

ROD AND GUN CLUB LAYS NEW RAMP

A diver prepares to go into the bay at Point San Quentin to install underwater framing for new boat launching ramp being constructed by Duncanson-Harrellson Co. of Richmond for the Marin Rod and Gun Club. Surface of new ramp will be of concrete slabs, one of which is seen partially submerged in foreground. The 75-foot-long ramp, replacing a former ramp which became unusable because of sinking of the ground under its supports, is to be installed this week. Grading of an approach is expected to require another week. (Photo by Leo Ciucci)

Dixie Trustees Eye $1 Million New Budget

Dixie School District trustees last night began study of their first-million dollar budget. At the same time an impending drop in revenue was indicated.

The preliminary figure on possible budget for the 1961-62 fiscal year worked out at $1,015,500, as compared with an operating budget for all purposes during the present fiscal year of $864,000.

Staff estimates submitted to the trustees indicated an increase of some 400 pupils in Dixie for next year.

The board must provide for opening of the new Don Timoteo School, and other considerations indicated revenue drops.

It was reported that income from both states and federal sources may be less than received this year unless Public Law 874, as it affects pupils whose parents live off federal property but work on it is renewed.

This, the trustees were told, might mean a loss of from $30,000 to $35,000 available during the 1960-61 fiscal year.

And because appraisals in Marin are regarded by the board of equalization as below statewide average a 7 per cent deficiency in state equalization funds can be expected, according to Supt. Dennie B. Willis.

In order to raise necessary money to continue present educational provisions the staff proposed that the board consider levying a special tax for education of the mentally retarded, also that it levy the special tax permitted by law to make up for the deficiency caused by lower Marin County appraisals.

The staff told the board that even though these other taxes are levied for the 1961-62 year, the total rate for Dixie district would be six cents less than during the present year.

The present rate is $2.45 per $100 assessed value for general purpose, 11 cents for retirement purposes both certified and classified, five cents for community services, and 52 cents for retirement of bonds and state loan, for a total of $3.13.

Jack Sanford led National League pitchers in shutouts last season. He tossed six for the San Francisco Giants.

IT means better living for you

Once a manufacturer was looking for a better product. "I want to be sure that people NEED IT," he said. So he asked a lot of them about IT. The answers told him how to MAKE IT. Finally he GOT IT. But IT cost an awful lot to make. To sell it for less, he'd have to make IT by the million. Which meant IT had to be sold by the million, too.

So he let his advertising man SEE IT. Ads began to SHOW IT to millions who might LIKE IT enough to BUY IT. And they did. For IT was indeed a product that they needed, at a price they could afford to pay.

Then a big sign, MORE HELP WANTED appeared on the factory door. Everybody was happy, for now they had IT made.

ALONG MARIN'S SPORTS TRAIL

Tigers Hire Marinite To Scout For Talent In North California

We were motoring through San Geronimo Valley the other day and happened to notice a big hulk of a guy beating the bushes, looking under rocks and old logs.

"Lose something?" we hollared.

The big guy straightened up and he turned out to be none other than Nick Kobseff of Nicasio, a man of many interests. Sounding like a poor impersonation of Andy Devine, raspy-throated Nick answered, "Sure am, Gil. Looking for some future major league ball players."

NICK KOBSEFF

"Well, that's a helluva place to look," we countered.

"You never know, Gil," replied Kobseff. "Why, do you know the Cleveland Indians discovered Bob Feller throwing rocks at old tin cans out in a pasture? Who knows, I may come up with another Feller."

As it turned out, Kobseff was celebrating another chapter in a long list of jobs in his busy life—that as a scout for the Detroit Tigers. He had a contract clutched in his big paw and was getting an early start ahead of other scouts in the area. Anything with two arms and two legs is closely examined by the new Tiger bird dog.

He EVEN gave us the once over. Narrowing his eyes, and circling us like a cattle buyer appraising a steer, Kobseff examined: "Hmm, Gil, take about 50 pounds off the backside and you just might get a tryout with the Tigers. Might make a backstop out of you. Ha-ha." Ha?

Actually Kobseff will be pounding the beat in northern California as right hand man for the Tigers' head scout, Bernie DeViveiros. High school, college and sandlot ballyards will be his stamping grounds and you can bet he'll be a regular at the state semi-pro tournament in San Rafael this summer.

Nick qualifies as a scout. Back in 1933 he and Eddie Joost signed to play with the old Mission Reds. Eddie made good, but Nick, a pitcher then, suffered an arm injury in an accident and couldn't cut the mustard. "They tried to make a first baseman out of me," he recalled, "but I just couldn't run." Although he failed as a pro, Kobseff stayed in the game for years at the semi-pro level both as a manager and a slow first baseman. He can spot talent.

THE CONTRACT from DeViveiros arrived in the mail yesterday and came as a complete surprise. Actually, Kobseff had been angling for a scouting post with the new Los Angeles Angels franchise, but DeViveiros got to him first.

Thus, Kobseff joins the curious fraternity of major league scouts, whose profession is quite competitive. No player with any talent goes unnoticed and as many as 16 scouts have been known to camp on a player's doorstep overnight. Kobseff already has purchased a sleeping bag and brand new fountain pen for such outings.

Scouts remind us of a gang of Romeos wooing the village dolly. First with the loot usually bags the prize. Kobseff, in lieu of flowers, is stocking up on tootsie rolls and comic books as added inducement. The Tigers will furnish the money.

Our earlier statement that Kobseff is a man of many interests may classify as the understatement of the year. As a co-owner of Rancho Nicasio he carries out any number of duties, such as handling the post office, grocery store, bar, restaurant, gas station, cooking, washing dishes and sweeping out the place.

HIS FRIENDS expect him to undertake almost anything. They weren't surprised when he imported a real honest-to-goodness buffalo from the midwest. A good conversation piece, if nothing else.

Then he entertained ambitions of owning a race horse. Poor thing, named Ranimako, never set foot on a track. A jockey friend stopped by the Rancho, looked over Ranimako, and advised, "Forget it, Nick."

Latest "project" for Nick, prior to scouting, was taking over the management of lightweight fighter Bobby Scanlon. Scanlon has had only a few fights under Kobseff, but some of their experiences have been hysterical. I wish I could write well enough to describe Kobseff's run-in with the big city commissioners of the New York State Athletic Commission! Hilarious.

Anyway, Big Nick from Nicasio is undertaking a new project and we hope he finds another Bob Feller in those bushes or under those rocks and logs.

Moffett Hero AS USF Nips Gaels, 53-51

Last second heroics by Lloyd Moffett gave the University of San Francisco a badly needed West Coast Athletic Conference basketball victory last night.

The host Dons edged St. Mary's Gaels 53-51 as Moffett let one fly from 25 feet with just six seconds remaining. The game was close all the way, the lead changing 15 times. St. Mary's led at the half 29-27.

A St. Mary's closing rally brought the Gaels to a 51-51 tie after being down by six with just minutes left.

Gael Tom Meschery was high man for the game with 21 points, Ed Thomas getting 15 for USF. Moffett had 7.

USF is now 3-1 in conference play and has to keep winning if it is to catch leading Loyola, riding high at 7-1. St. Mary's is 2-2.

There were no other northern California games and no major games are on tap tonight.

Tomorrow, Southern California is at Stanford and California at Washington in the Big Five. San Francisco State goes at Sacramento State and Chico State goes to Davis against the Cal Aggies in Far Western Conference play.

Venturi Hot In Tuneup At Phoenix

PHOENIX, Ariz. (AP) — The scramble for $30,000 prize money in the Phoenix Open got under way today without a clearcut favorite, but deliberate Ken Venturi and the veteran Jerry Barber seemed to have the best solution to the flat desert course.

Venturi, who won this tournament three years ago, led a field including most of the game's stars in yesterday's pro-amateur preliminary with a five-under-par 65. It took an eagle 3 on the 10th hole, accomplished with a 40-yard pitch, to give him a one-stroke edge over Barber.

No one was discounting Arnold Palmer, although he was badly off his game in going four over the Arizona Country Club's par 70 in the pro-am.

TOUGH COURSE

The tourney course was toughened for this meet by the addition of 60 yards for a total of 6,661 and a new lake, but the changes weren't bothering many in this field. Ten pros bettered par in yesterday's tuneup and seven others, including defending champion Jack Fleck, equaled it.

About the only big name missing from the tourney is Billy Maxwell, winner of last week's Palm Springs jackpot. He passed up Phoenix to play in the Caribbean.

All the other 1961 winners are in the field—Palmer, who won at San Diego; San Francisco champ Gary Player; Los Angeles winner Bob Goalby and Bob Rosburg, who grabbed first money in the Bing Crosby meet.

Redleg Star Robinson Is Arrested

CINCINNATI (AP) — Frankie Robinson, 25, Cincinnati Reds' baseball star, was arrested early today in a restaurant on suspicion of carrying a concealed weapon.

The arrest followed an argument involving Robinson and two friends and two other men, according to arresting officer Howard Simpson. Robinson, who made bail several hours later, is scheduled to appear in court Friday.

Robinson won the National League slugging title in 1960.

Simuson said he was called to the place shortly before 2:30 this morning, and arrested William Webb, one of Robinson's friends, on complaint that he had struck the manager.

After Webb was bailed out, the men returned to the restaurant, Patrolman Simpson said.

"We were called again when the cook, Arthur Messer, reported that Robinson had pulled a pistol from his pocket," Simuson continued. "He said he found a loaded pistol in Robinson's coat pocket.

"Messer told us Robinson threatened him after he learned that he told us he had a pistol," Simpson said.

Ex-Pacific Coach Hired By Tulane

NEW ORLEANS (AP)—Tulane University today named George Dickson, backfield coach at University of the Pacific since 1957, new backfield offense and defense coach for the Greenies.

Dickson, 37, former Notre Dame back, graduated from that school in 1950.

He has coached at Notre Dame, Southern California, Marquette and Pacific.

Raiders Plan Trades For Needed Manpower

OAKLAND (AP) — With an acute need for manpower, the Oakland Raiders of the American Football League have signed only seven of their 30 draft choices.

Just one of their first dozen selections—George Fleming of Washington—has inked a pact.

Coach Eddie Erdelatz declares, "Our crying need has been and still is for defensive backs, linebackers and big linemen. We've got to come up with help there to get the job done this year." Yet four of the seven signed are ends. The others are a center, halfback Fleming and a quarterback. The Raiders also got a tackle and halfback as free agents.

Erdelatz hopes trades can fill the club's big needs.

Oakland backers lost an estimated $400,000 and the eight-man ownership group was beset with wrangling. Finally three, Ed. McGah, Wayne Valley and Bob Osborne bought out the other five.

Erdelatz must replace two assistant coaches. Ed Cody left for a job at Washington State and Ernie Jorge resigned to seek a collegiate position.

In addition to Fleming, the draftees signed are Gerald Burch, Georgia Tech end and 13th on the draft list; Bob Coolbaugh, Richmond end, 15th; Mike Jones, San Jose quarterback, 21st; Roger Fisher, Utah State center, 23rd; Paul Nake, Northwestern end, 25th and Claire Appledoorn, San Jose end, 27th.

The free agents are Arnold Metcalif, former Oregon State lineman, and Oneal Cuttery from San Jose State.

Novato Hoopster Tallies 26 Points

One of the best Class B scoring performances of the basketball season in Marin County was turned in this week by Nick Willard of Novato High.

Willard poured 12 field goals and 2 foul shots through the mesh as he led Novato to a 45-34 victory over Tomales.

Dodger Executive Explains Hiring Of Leo Durocher

OMAHA, Neb. (UPI)—Leo Durocher was hired as third base coach of the Los Angeles Dodgers because he is a "baseball man and he belongs in baseball," General Manager Buzzy Bavasi said last night.

"We also feel we owe something to our former employees," Bavasi added before speaking at a banquet for the Omaha Dodgers of the American Association.

Bavasi saw no chance of a personality clash between the fiery Durocher and Manager Walter Alston of the Dodgers. "Anyone who can't get along with Walt Alston is a fool," Bavasi said.

The Dodger executive predicted that Durocher may move up from the coaching job at Los Angeles to a better baseball job.

Bavasi also forecast:

Three major leagues within the "next 10 years or so" because of travel problems.

National League pennant battle between Milwaukee, Los Angeles, Pittsburgh, San Francisco and St. Louis during the coming season.

A three-way race in the American League between Chicago, New York and Detroit with the Yankees as solid favorites to emerge on top again.

YANKEES HIRE DI MAGGIO FOR SPRING JOB

NEW YORK (AP)—Joe DiMaggio, retired outfield great, will rejoin the New York Yankees March 9 for two weeks of spring training at St. Petersburg, Fla.

He will work with Manager Ralph Houk and batting coach Wally Moses in assisting the players.

DiMaggio, 46, said:

"This is the first time I've been asked back. I'm looking forward to the two weeks of spring training like a rookie about to go to his first camp."

He retired after the 1951 season.

Ex-PCL Infielder Signs With Angels

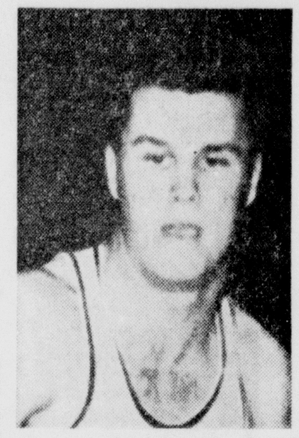
LOS ANGELES (UPI)—The Los Angeles Angels today signed Bob Rous from their tryout camp.

Fred Haney, general manager of the new American League club, said the 26-year-old infielder will report to the Dallas-Fort Worth club of the American Association.

Rous, who was injured while playing in the Pacific Coast League last year, is a left-handed third baseman from Bakersfield. He stands 6 feet 3 and weighs 205 pounds.

Redwood's Brear Is Prep Of Week

Rugged and durable Rich Brear, who has started all 70 varsity basketball games in the past three seasons at Redwood High School, will receive a memento to remind him of one of his better performances, it was announced this morning. Brear was selected the Marin County Athletic League's Prep of the Week by the Independent-Journal and Radio KTIM and will receive a certificate for the honor.



RICH BREAR
Prep of Week

The big Giant hero was key man in Redwood's important 57-49 victory over second place Drake last Friday night. His 13 points were a tremendous help, but even more valuable was his work under the backboards, enabling the Giants to control rebounding. Rich personally grabbed 16 rebounds.

NOVATO VS. GIANTS

Novato Hornets will get a taste of Brear's talents tomorrow night as they invade the Redwood gym in one of three league games on tap.

Elsewhere, Marin Catholic plays at Tamalpais and Drake invades San Rafael.

League standings show Redwood on top with a 5-1 record, followed by Tam and San Rafael each with 4-2, Drake 3-3, Marin Catholic 2-4 and Novato 0-6.

Class B games tomorrow will precede the main events starting at 7 o'clock.

Phillies Advised To Move Training To Puerto Rico

SAN JUAN, Puerto Rico (AP)—The San Juan Star, taking editorial note of the racial bar which prevents veteran pitcher Ruben Gomez from living with the remainder of the Philadelphia Phillies in spring training, today suggested the major leagues train in Puerto Rico, California and Hawaii.

The Phillies train at Clearwater, Fla.

"The three areas, free of the disease of racial discrimination, could easly accommodate all major league teams," the Star said.

Pete Moreno Wins Top Jockey Award

ARCADIA (AP)—Veteran jockey Pete Moreno was speaking:

"Give the little riders a chance. They'll make it. I'm glad I had a chance."

The 35-year-old jockey was acknowledging the George Woolf Memorial Jockey Award, voted him by California turf writers. A decade ago Moreno was an unheralded, little rider.

Last year he won the riding championships in succession at the Del Mar, Tanforan and Golden Gate meetings, which earned him the Woolf award.

Moreno was the honored guest at the dinner last night at the Derby, founded by the late George Woolf, who was fatally injured in a riding accident at Santa Anita in 1946.

Floyd, Ingemar Write About Their Rematch

(Following are first in a series of dispatches to be written exclusively for United Press International by World Heavyweight Champion Floyd Patterson and challenger Ingemar Johansson concerning their rematch March 13 at Miami Beach, Fla.)

By FLOYD PATTERSON

SPRING VALLEY, N. Y. (UPI)—Here we go again—and I'm ready to go into the final training for my fight with Ingemar Johansson March 13 at Miami Beach with a mental and physical fitness I never had before.

The reason is that I've learned to do what comes naturally in my conditioning. In other words, I ignore routine for routine's sake. I work when I want to, I rest when I want to. And, when it comes to the showdown in the ring, I have everything I need.

My proof came in my return with Johansson, the fight for which I was stronger, faster and harder-hitting than in our first fight. Or in any fight I ever had.

The next few weeks I'll be living strictly a fighter's life. That will be an adventure, because one day I might box at 8 in the morning, another at 8 in the evening. I might train hard five days in a row, I might take off a similar time.

But bet on one thing, I'll be doing what comes naturally.

By INGEMAR JOHANSSON

MIAMI BEACH, Fla. (UPI)—When I knocked out Floyd Patterson the first time we met, I hurt him—and I finished him off then and there. In our second fight I again hurt him—but that time I lost him and he went on to finish me.

The only difference, believe me, was that I threw away my opportunity. I think people will concede I am a thinking fighter, which means I don't repeat mistakes. I will show this to the world on March 13 when we fight again.

If you make a study of punching, you know that it is a science of seeing your chance and taking advantage of it. To be able to do it, you need a quick eye and the reflexes to go with it. They are part of me, the only thing is for me to use them.

All of my training in Europe, and what I intend to do in the next few weeks, is aimed at this sharpness. With it, I'll have no fears that, when I hurt him, I'll not lose him, I'll finish him.

Arch Already Mad At NBA Champ

By HAL WOOD

PHOENIX, Ariz. (UPI)—Ol' Arch Moore already is mad at the new NBA light-heavyweight champion, Harold Johnson.

Archie, looking younger every year as he approaches the 50-year mark, says he's ready for battle right now.

Moore defends his New York, California, Massachusetts and European version of the title against Italy's Guliu Rinaldi around May 27 in New York's Madison Square Garden.

But after that he would like to teach Johnson a lesson.

"He's been going around saying I haven't given him a chance," says Moore, who was here to participate in the Phoenix Sports Award dinner.

'NICE BOY'

"Frankly Johnson is a nice boy. And I would be loathe to hurt him, inasmuch as he has a nice family. I think, however, that if he and his manager, Pat Olivera, keep calling me pear-shaped, I would have no alternative but to make Johnson famous by introducing him to boxing fans around the world doing the St. Vitus dance while laying flat on his back."

Moore, who has an age someplace between 42 and 47, already has started to cut his weight for his bout with Rinaldi. He's looking more trim than he has at any time since he last defended his crown—against Yvon Durelle in August of 1959—nearly 18 months ago.

Does Archie believe the rule calling for a champion to defend his crown every six months is fair?

"Only to a degree," says Professor Moore. "If there is a suitable opponent around, then the defense should be made every six months, at the least. But if there is no one on the horizon who can make the promoters put up a good purse, then the champion should not be held to the rule."

Moore claims he already has spent $20,000 preparing for the Eric Schoeppner fight, which was called off.

"To make a reasonable profit on a world championship fight," says the San Diego financier, "I have to get at least $200,000. I'm in this business to make money. If I don't get at least that, I'm just working for the exercise. And I don't need exercise."

Planning For Duty

Big Leaguers Play Old Fashioned Sandlot Game For Dimes Benefit

HANLEY

It has been a long time since major leaguers like Billy Martin, Jim Gentile, Vada Pinson, Mike McCormick, Eddie Bressoud, Ernie Broglio and a score of others met on a sandlot to choose up sides for a ball game.

That is precisely what they will do this Sunday although their meeting place, San Mateo's Fitzgerald Field on El Camino Real, is several notches above sandlot caliber. Time of the game is 1 p.m. A one buck donation to the March of Dimes is the admission price.

All major, coast and California leaguers in the area, active and retired, will be on deck. In addition to Martin, Gentile, Pinson, McCormick, Bressoud and Broglio, the player pool will include Gino Cimoli, Stu Miller, Jimmy Davenport, Harry Bright, Willie McCovey, John Weekly, Pete Ward, Hobie Landrith, Joe Gaines, Sal Taormina and Paul Giel.

Bill Rigney, tabbed for duty as manager of one of the teams, observed that Giants seemed to outnumber the rest.

"I'LL PROBABLY wind up managing them again—at least for one day," said Rigney. "I don't know who my opposing manager will be but I understand Hank Sauer, Bill Posedel and Charlie Silvera will huddle before the game and cast secret ballots like the Cub coaches are going to do this season."

Sauer said he would be available for pinch-hit duty if needed and added "we might even call on Ernie Lombardi to scatter the traffic on El Camino."

"YOU CAN'T have Lombardi," Walter Mails told Sauer. "We already have him lined up for another job. Carl Hubbell is going to throw out the first ball with Muddy Ruel catching. But Carl is only fooling himself in thinking he can reach home plate now.

"So I will be stationed 10 feet down the mound and relay the ball to Dutch Ruether another 10 feet down the line and Dutch will toss it to Lombardi for the final toss to Ruel."

A couple of months ago Jim Kehoe, San Mateo postmaster, asked Eddie Montague, Al Facchini and Dan McShane to arrange the old fashioned sandlot game as a Dimes benefit.

"WE DIDN'T get one turn down," said Montague, the Giant scout who discovered Willie Mays. "In fact, all of the boys jumped at the idea. I guess the thought of a sandlot game stirred nostalgic memories."

The umps? Chris Pelekoudas, the Redwood City boy who made good as a National League rookie last year, and Frank Pisa, Tony Patch and Ed Dermonich.

Yanks To Give 'Mister Magoo' Starting Job

By U.P. INTERNATIONAL

To the hills, men, and grab your helmets because fireballer Ryne Duren will be aiming at a new target starting Monday.

Duren's new objective is a starter's role with the New York Yankees and chiefly to help him along, Manager Ralph Houk has ordered the 31-year-old bespectacled reliever to report to the club's advance camp in St. Petersburg, Fla., on Feb. 13.

Duren indicated he'll be there by signing his 1961 contract yesterday and the news didn't exactly touch off any spontaneous cheering among American League batters who will have to face him this year.

Ryne's 3-4 record with the Yanks last season is a fooler. It doesn't begin to indicate the respect, or rather the fear, in which he is held around the league.

No one digs in against Duren. No one, that is, in his right mind. The reason becomes obvious after one look at his 1960 record.

Duren, called "Mister Magoo" and constantly kidded about his eye-sight, pitched in 49 innings last season and gave up 49 bases on balls, averaging out to a walk an inning. In addition, he hit seven batters, committed four wild pitches and deposited countless batsmen on the seat of their trousers.

With it all, though, Duren tied a major league record by striking out the first five men at the start of a game against Washington on Sept. 27. That was his only start of the season and although it was merely a five-inning stint designed to test him for the World Series, Houk thinks Duren has untapped starting possibilities.

Along with Duren, pitchers Johnny James and Ted Wieand also signed with the Yankees and are scheduled to attend their advance camp.

The St. Louis Cardinals did something unusual by signing third baseman Ken Boyer to a two-year contract.

"We recognize this is an unusual procedure," said general manager Bing Devine, "but Ken, like Stan Musial, is an unusual ball player."

USC's Rudometkin Dominates Big 5 Cage Statistics

SAN FRANCISCO (UPI)—John Rudometkin of Southern California dominates latest Big Five statistics following a hot series against UCLA.

The Trojan All-American candidate tallied 29 and 37 against the Bruins and boosted his game per average to 25.7 points per contest. The 37 points were a single game high for the loop this season.

Washington's Roger Niva hit six straight free throws against Stanford to move into the lead in that department. Cal's Bill McClintock and Washington's Ed Correll hung onto their leads in rebounding and field goal accuracy respectively. Correll has made 31 of 57 shots for a dazzling .545 mark.

California leads in team rebounding and defense, while the Trojans are tops in offense and free throws. Washington clung to its loop lead with a team free throw percentage of .432.

Bob Rosburg 2nd In Money Ranking

DUNEDIN, Fla. (AP)—Gary Player of Johannesburg, South Africa still heads up the top 10 money winners of professional golf.

The Professional Golfers Assn. said yesterday Player has competed in five tournaments, won one, and placed in the top five twice to win $13,400.

He is followed by Bob Rosburg of San Francisco, $9,400. Bob Goalby of Crystal River, Fla., ranks third in the money circle with $9,000.

Fourth is Arnold Palmer, Ligionier, Pa., with $8,500. Palmer won more than $80,000 on the circuit last year, which was tops.

Holding down fifth spot is Ken Venturi of Palo Alto, Calif., with $8,400.

Rose Bowl Plans Made

Larkspur volunteer firemen last night decided to open the Rose Bowl, their outdoor dance pavilion, June 2 for an 18-week season. This would be about the 52nd year of annual operation, a spokesman said. Plans for repair work on the bowl were discussed.

BRITISH CHARGES

U.S. Pros Deny Lack Of Interest In Ryder Cup

PHOENIX, Ariz. (AP)—United States golf professionals branded as slightly more than ridiculous today a British report that they are losing interest in the international Ryder Cup matches.

"Why," said Arnold Palmer, the game's biggest money winner last year, "our guys are out here fighting for Ryder Cup points every day so they can make the team and play in the matches.

"I play in a lot of tournaments I otherwise would pass up just to get cup points."

Other pros, currently competing in the Phoenix open, expressed equal amazement at the suggestions of American disinterest and that the every-other-year matches between the U.S. and British teams be discontinued.

Writing in the London Evening News, Maurice Hart said, "The Americans couldn't care less if the matches are dropped." Hart was critical of the reported plan of the American team to arrive in Great Britain only two days in advance of the matches scheduled for Oct. 13-14.

LITTLE PRACTICE

Cmdr. Charles Ree, secretary of the British Professional Golfers' Assn., said, "I honestly have no idea why the Americans are not allowing themselves longer practice at the Lytham and St. Anne's course before the matches."

There was speculation in London that the U.S. pros were unwilling to leave the tournament tour at home for a longer period of time.

Without trying to give a reason for the short visit, Palmer said, "I don't know why that should worry them if it doesn't worry our side. Two days is enough to get used to a course."

Yonkers Raceway averaged 23,199 nightly admissions during its split 1960 harness racing season.

Summary Of Advisory Committee's Recommendations On Big Game

STEVENS

"Some days ago I read in your column a highly destorted version of the report of the Citizens Advisory Committee on Big Game, that came to you from Redding. So far, I haven't seen the real thing in your column. Perhaps you will publish it to set the record straight."

So wrote William Dasmann of Larkspur.

It is a good suggestion, so here is the summary of the recommendations for legislative action by the Advisory Committee:

1. Make the provisions of the Busch Bill permanent, with continuation of the veto power by county boards of supervisors in such counties as wish to retain that power.

2. Establish a procedure which will allow flexibility and provide for issuance and use of either-sex or antlerless deer hunting permits on privately owned land. Present provisions are inadequate.

3. Remove legislative stature of big game refuges, giving complete authority to open, close or to abolish such refuges to the Fish and Game Commission, after holding local public hearings.

4. Insure that a separate archery hunting season for big game be provided.

5. Memorialize Congress urging an accelerated program of recreational access to National Forest and Bureau of Land Management lands in California.

In other recommendations which may be of concern to the legislature the Fish and Game Commission, the Fish and Game Department, and the public, the committee recommends:

1. The fee prescribed for bonus deer permits should not exceed one dollar. Where the commission requires the buck tag be used for antlerless deer no extra charge for the antlerless permit should be made.

2. Quotas may have to be placed on buck hunters in some areas in the interest of public safety.

3. Some range improvement should go forward where control of deer numbers is assured. While public land agencies should carry the responsibility for managing and improving deer habitat, the Department of Fish and Game should contribute to this activity. Federal appropriations should be increased; particularly where fire protection, range improvement and other activities will also benefit.

4. The department should continue its present policy of predatory animal control on big game ranges. We wish to emphasize, however, that predator control should be increased as hunters begin to approach an adequate game harvest. We urge a flexible approach to predator control based on animal species, habitat conditions, and hunter harvest.

5. The Wildlife Conservation Board should give more attention to acquisition and development of public access.

6. Increased attention should be given to management programs for elk and antelope.

SO THERE you are. Hard to find any fault with that program, in this writer's estimation.

Gonzales Regains Pro Tennis Lead

NEW YORK (AP)—Pancho Gonzales, seeking his seventh straight pro tennis championship, needed only two days after rejoining Jack Kramer's tour to regain the ground his pal Pancho Segura lost while substituting for him.

Gonzales was out 10 days with a pulled stomach muscle and in that time Segura won two matches and lost three. They were counted on Gonzales' record and dropped him from the top of the standings. He rejoined the tour at Schnectady Tuesday.

Playing before 7,000 spectators at Madison Square Garden last night, Gonzales beat Lew Hoad 11-9 for his second straight victory and an overall record of 11-9. Barry MacKay beat Alex Olmedo 10-8, and Earl Buchholz beat Andres Gimeno 10-8.

The three losers dropped to second with 10-9 tour records. MacKay is 9-10 and Buchholz 7-12.

Gate Records Fall In S.F. Sports Show

The 17th annual San Francisco National Sports and Boat Show continues to break all attendance records during its 10-day engagement at the Cow Palace which runs through Sunday.

Novelty for the sportsman is the keynote at this year's huge exposition, which has crammed the vast Cow Palace, including its six pavilions, with hundreds of innovations for all outdoorsmen.

Among the unique items exhibited is the "Gold-Vac," a lightweight, fiberglas gold dredge, which incorporates every possible feature for the man who is serious about finding gold. Geologists estimate that only 10 per cent (about $3 billion worth) of California's gold has been taken. The "Gold-Vac," a truly professional machine, sells for $595 complete.

Ideal for weekend retreats, as garden or tool sheds, or even as pool-side dressing rooms, are the easy-to-erect aluminum cabins by Provincia Aluminum Structures, Inc., of Daly City. These low maintenance cabins come in 16 sizes, ranging in price from $592 to $1,701.58.

For the boating enthusiast, the "Flying Scott" introduces a whole new concept in outboarding. The sleek 17-foot family fun cruiser weighs 1,440 pounds, can attain speeds up to 32 miles per hour, and sells for $2,995.

The ladies will enjoy the Hammock Bag, by Cape Cod Fish Net Industries of Sausalito, which offers an infinite variety of uses, and sells for $2.95 and $3.95. Their "Bag O-Tricks," a multi-purpose fish net bag, weighs just one ounce, has a 20-pound capacity, and costs $1.

Admission is $1.25 for adults, 50 cents for children; and doors are open from 2 p.m. until 11 p.m. weekdays; 11 a.m. until 11 p.m. Saturday; and 11 a.m. until 7 p.m. Sunday, the closing day.

Schloredt Visits Southern Cal Gal

PASADENA (AP)—Bob Schloredt, the University of Washington quarterback who led the Huskies to victory in the Rose Bowl game over Minnesota, is back in Pasadena—but his mission isn't football.

Schloredt is visiting at the home of Tournament of Roses Queen Carole Washburn and her parents, Mr. and Mrs. Donald K. Washburn. Carole and Schloredt dated during Washington's training stay and she wore his football warmup pants the chilly morning of the Jan. 2 tournament parade.

Schloredt arrived here from a tour of the Hawaiian Islands where he conducted a football clinic. He and Carole say they have no marriage plans. He will play football in Canada this fall.

Cincinnati tried six first basemen during the 1960 campaign.

President's Oil Put On Display

MILWAUKEE (AP) — An oil painting by President John F. Kennedy of Massachusetts was displayed here recently at an art show sponsored by a Democratic ward unit.

The painting, a street scene, is owned by Le Moyne Billings, a New York city advertising executive and a close friend of Kennedy.

Billings said Kennedy painted five pictures in 1955 while recuperating at the family home in Palm Beach, Fla., from a spinal operation.

Enlists In Air Force

Warde M. Miller of 116 Ferndale Avenue, Mill Valley, has enlisted in the Air Force for a four-year "hitch." Airman Miller completed a tour of duty with the Marine Corps in Japan on Jan. 23. He has been assigned to the 4134th Strategic Wing, Strategic Air Command, at Mather Air Force Base.

Bellhop Finds People Are Nice

CHICAGO (AP)—Bellhop Gabriel Salcedo, celebrating his 62nd birthday and 40th as a bellhop, figured that he has met "maybe a half million persons, and that most of them were pretty nice."

Known as Gabe to his friends, he came to Chicago from his native Guadalajara, Mexico, in 1919. The most unusual job he ever had was to walk a dog for a guest.

"The guest — he was from Oklahoma City — told me as long as I walked his dog I might as well break in a pair of cowboy boots for him," says Salcedo. "Fortunately the boots fit. He gave me $3."

Complaint Dept. Needs A Boss

OMAHA (AP)—Where do you go to complain about the City Compiaint Department?

City Council President A. V. Sorensen answered that one by writing Mayor John Rosenblatt. Sorensen noted the department was set up to be a "means of assisting citizens who historically complain about getting the run-around at City Hall."

But, he added, council members are receiving almost daily complaints about the replies and follow-ups to their calls to the Complaint Department.

Marin Women

Vocational Nurses Meeting Tonight

Marin Division 17, California licensed Vocational Nurses Association, is meeting tonight in the Medical Lounge at Marin General Hospital. A 7:30 board meeting will be followed by an 8 o'clock membership meeting. At 8:30 the members and guests will adjourn to the physio-therapy department of the hospital for a demonstration by Mrs. Henry Rogers and Joan Proctor of a new piece of hospital equipment, a circle bed. The bed, electrically controlled, can be tilted to any angle for the comfort of the patient.

Officers of the division were installed recently at the Albert Carpenters' home by Miss Amelia E. Ditt, RN., director of nursing at Marin General Hospital, with the assistance of Marion Lee, RN.

Installed were Mesdames Robert T. Erb, president; Albert Carpenter, vice president; Harold Killian, secretary, and William Purcell, treasurer. New board members are Mesdames Frank Arnold, Lyle Anderson, T. R. Griffin, Sylvester Ritter and Genevieve Lentz.

Tamal Lodge Having 'School' And Party

Mrs. John Robertson, district deputy president of District 61, Rebekah Assembly of California, will hold a school of instruction for the officers and members of Tamal Rebekah Lodge 393 on Tuesday night, Feb. 14. A Valentine theme will be carried out at a party following the meeting.

The committee in charge is composed of Mrs. Della Cline, chairman, and Mesdames Chester Seely, May Glaser and Frances Keelen.

San Rafael Club Fete For New Members

Lovely as spring itself was the reception for new members and musicale of San Rafael Improvement Club on Tuesday. Mrs. Louis Yuvan had decorated the club and the tea tables beautifully with pastel colored spring blooms.

Mrs. Donald Murray, club president, welcomed the members and guests. New members were presented by their sponsors who gave brief summaries of their lives and activities. Mrs. Lewis A. Clapp gave each new member of "cup of friendship." Welcomed into the club were Mesdames M. C. Horrell, Raymond Del Guerra, Bruce Moorehead, Bruce Bales, Earl Dixon, D. H. Hand, Arlan Hargreaves, Norman W. Rawson, Rowe Waller, Fay Tyler, J. J. Adam, George Ballantyne, Lester Ayers, C. M. Arnold, Walter Abraham, Henry M. Buckley, C. Ross Mosher, Murray Serafino, O. S. Shaw, Herbert K. Walton Jr., Elanore Samuelson and Jewell Smith.

Mrs. C. W. Zumwalt, the club's first vice president and program chairman, introduced the talented young pianist, David Del Tredici, the featured guest artist. He gave a masterly performance of Chopin's "Prelude" which was heartily applauded by his audience.

Mrs. Marshall Baldwin was chairman of the tea which concluded the afternoon. Assisting her were Mesdames Robert Allison, William Vaning, Robert Logan, Harry W. Johnson and Wilbur Lowe. Pouring were Mesdames Fleeta Triece, John Bradley, Herbert Brainerd and Harold Burnell. Mrs. Lawrence A. Cowen presided at the guest artist's table.

Lagunitas P-TA Spring Luncheon Planned March 4

East is east and west is west—but if Kipling were to go to the Lagunitas P-TA Spring Fashion Luncheon, he would find that he had spoken too soon.

East and West shall meet and mingle on Saturday, March 4, at 1:30 p.m. at the Woodacre Improvement Club as guests enjoy the latest in American styles in a Japanese garden setting. Following the theme, "Springtime in Japan," the Orient and the Occident will also be blended in the cuisine and table decorations for the occasion.

Planning the affair are Mrs. Douglas Joslin, chairman, Mrs. William Ollenberger and Mrs. Milton Johnson, co-chairmen, and committee chairmen Mesdames Donald Pederson, LaVerne Hulbert, Hillis Newcomb and Vernon Gilstrap.

ST. JOHN'S BENEFIT TOMORROW

The public is invited to hear Jane Nickols, who will present her unique dramatization of Rodgers and Hammerstein's "South Pacific" tomorrow at 8 p. m. in the Parish House auditorium of St. John's Church in Ross.

Mrs. Nickols, who will sing all the songs from the show, at one time toured the country with the road company of "South Pacific." A simple and attractive tropical set enhances the production as do her costumes. Mrs. William Porter is the accompanist.

The performance is for the benefit of the choir of St. John's Church. Tickets may be obtained from Mrs. Gordon Cochrane or at the door Friday evening.

Cotillion Series

Following the huge success of the recently completed White Glove Cotillion, Mrs. S. B. Thompson, youth activities chairman of the Hamilton Officers' Wives Club, announces that a new series will begin today. Mrs. Bari Frolich of San Rafael will again serve as instructor. The February-into-Spring courses will be of interest to those who were enrolled in the fall Cotillion as well as new comers who will be brought up to date and will be able to master the new steps. Children in grades four, five and six will meet today and each Thursday thereafter.

A GROUP OF VOLUNTEERS of the Marin General Hospital Service League, all of whom have served between 2,000 and 4,000 hours, gathered recently to watch Mrs. Watson Conner, president of the Service League, present a gold bar to Mrs. Kenneth Maxwell, newest Volunteer to achieve the 2,000 hour status. From left to right are Mesdames Watson Conner, Walter K. Pearce, last year's president, William K. Miles, Ward W. Hawkins, Thomas E. Pring, Kenneth Maxwell and Russell Chatham. Another Volunteer, Mrs. Julian Rice, is not shown in the picture for she is now studying at the Sorbonne in Paris as well as touring Europe. Mrs. Rice had contributed more than 5,000 hours of service before she left for Europe. (Ken Molino photo.)

2,000 Hour Club Greets New Member

Inspiring to all members of Marin General Hospital Service League was a meeting held recently by members of the 2,000 hour club to welcome Mrs. Kenneth Maxwell of San Anselmo to their ranks.

Mrs. Watson Conner of Greenbrae, president of the Service League presented the award. Total numbers of Volunteers who have served 2,000 hours or more now number seven, including Mrs. Maxwell, Mrs. Russel Chatham, Mrs. Thomas Pring and Mrs. Ward Hawkins of San Anselmo; Mrs. Walter Pearce of San Rafael; Mrs. William Miles of Ross, and Mrs. Julian Rice of Mill Valley. Several of these Volunteers have reached the 3,000 to 5,000 hour mark, but Mrs. Julian Rice tops the list with 6,300 hours served in the Central Supply Department. She is now in France studying at the Sorbonne and is expected to resume her volunteer duties next year.

Mrs. Russel, another 2,000 hour club member is Assistant Director of Volunteers, has served as a member of the nominating committee, been both morning and afternoon Supervisor and currently assists with Orientation Courses and floor training of new volunteers. She has been a member for four years of the Service League Board.

Mrs. Walter Pearce has served as morning and afternoon Supervisor, has assisted with orientation and floor training of Junior Volunteers, was Recording Secretary and is a past President of the Service League. She now holds the office of Parliamentarian.

Mrs. William Miles has servas morning and afternoon Supervisor, Baby Photo chairman, television chairman and weekend volunteer. She is now bookkeeper for the Gift Cart and a rotating supervisor.

Mrs. Thomas Pring has been chairman of nominating committee as well as the Coffee Shop and now a floor aide in pediatrics

Mrs. Ward Hawkins has served on the nominating committee, is now corresponding secretary for the Service League a second term and is a regular weekend volunteer and substitute Supervisor.

Mrs. Kenneth Maxwell, the newest member to join the 2,000 hour group is now chairman of the Refreshment Cart and volunteer for weekend service.

STEPHANIE KORET, California designer, spring and summer advance fashion collection will be previewed at the Ondine's popular luncheon, Fashions With a View on Thursday.

Koret's Collection Will Be Previewed

The nation's fashion press have acclaimed Stephanie Koret's spring and advance summer collection as "terrific." On Thursday, at the Ondine's popular luncheon, Fashions With A View, guests will be able to see for themselves the fashionable reasons for the critics enthusiasm!

In a salute to the incomparable San Francisco designer, Fashions With a View goes "Correctly Koret" for every sunshiny day of a happy spring and summer, as it says HAVE A HEART!

Without budging from a coffee cup, guests can visualize themselves lounging at La Jolla, motoring to Monterey, or journeying by jet in the amazingly versatile coordinates that are at home north, east, south or west.

In fact, "Fashions With a View" will prove that life simply breezes along when a wardrobe is correctly Koret . . . without a wrinkle or a worry in a carload of bold, bright and beautiful designs! Take heart, a Koret life is easy.

Knowledgable knits for town or country, happy-go-togethers in saucy shorts, bermudas, and tapers teamed with a fascinating array of blouses, sweaters and distinctive jackets, boating gear that is functional and fun, add up to a 1961 Stephanie Koret spring that is easy on the eye, the figure and the pocketbook.

To remind that "Summer is a cumen in" quicker than most of us realize, the Koret sunsensational play clothes will be promenaded for the first time for a fashion show audience. Sunny seaside swim wear, country morning toggery, bold beach beauties, and patio partners will have their place in the sun on Thursday.

Appropriately, Thursday's special guest with a viewpoint will also remind HAVE A HEART, a share in Heart Fund Sunday on Feb. 26.

Reservations to enjoy the Stephanie Koret's 1961 spring and advance summer collection may be made by calling the Ondine in Sausalito.

Wensloff-Foster Nuptials Held At Inverness

Charles G. Wensloff of Mill Valley and Suzanne Foster of San Francisco were married Saturday, Feb. 4 in a civil ceremony at Inverness.

Present for the double ring rites performed at 7 p.m. by Judge David R. Baty were the bride's mother, Mrs. Frances Foster of San Francisco, and the bridegroom's parents, Mr. and Mrs. Charles W. Wensloff of Mill Valley.

Suzanne recited her vows wearing a light blue wool dress, matching cage veil and corsage of pink baby roses. Her matron of honor, Mrs. Robin Brewer of San Francisco, wore a cream brocade dress and cage veil.

Best man for the bridegroom was Ward Miller of Sonama, formerly of Mill Valley.

After the ceremony a buffet supper for the wedding party and a few relatives and close friends was given at the home of the bridegroom's parents.

The newlyweds have decided to defer their honeymoon until summer and are living in an apartment at Hilarita, Tiburon.

The bride attended Washington High School in San Francisco and her husband is a graduate of Tamalpais High School. He is employed by the Earl Machado Company in Santa Venetia.

Many Youth Groups Take Hospital Tour

Tours of Marin General Hospital offer an educational opportunity for youth groups as well as a chance to alleviate their fears.

These tours, under the auspices of the Marin General Hospital Service League, are conducted twice weekly during the school year and are quite popular with Girl Scouts, Camp Fire Girls, Boy Scouts and other youth groups. A letter of appreciation received recently by Mrs. Frank Moore, Director of Volunteers, reads:

"Thank you for the tour. Thank you for the ride on the rocking bed. I liked it very much. I liked the iron lung that Mr. Gerfen showed us. Thank you for the ice cream and cookies. I liked the dummy in the iron lung. I liked the tour. I liked he X-ray."

Enjoying a look at their own community hospital recently were members of Ta-Ta-Shu-Ka Camp Fire Group of Terra Linda with their leaders, Mrs. John Stone and Mrs. William Cochran. Visiting the hospital were Pamela Blair, Kissy Bogowitz, Mary Lou Cochran, Susie Guerrant, Pamela Hall, Michelene Silmar, Nora Stone and Bayla Stoumen.

The Robin Blue Birds of San Anselmo also visited Marin General recently with their leaders, Mrs. Donald De Moss and Mrs. Ralph Hendricks. Blue Birds on the tour were Sharon Curry, Connie De Moss, Debbie Dondere, Marla Hein, Debbie Hendricks, Dee Racouillat, Corinne Rhoads, Debbie Smith, Tina Torney, and Nori Hendricks.

Intermedidate Girl Scouts of Strawberry Troop No. 26, escorted by their leader, Mrs. Carl Lescheske, enjoyed a tour and refreshments, furnished by the Service League. Scouts were Laurie Berryman, Jamie Clark, Marilyn Drolla, Carlyn Farrel, Margie Finney, Jill Gobershock, Peggy Harrison, Hilda Mary Helmer, Janet Merrill, Dlynn Monoogan, Virginia Neff, Susan Nelson, Jackie Nielson, and Lanita Williams.

Girl Scout Troop No. 121 of Ross, accompanied by their leaders, Mesdames William Niccolls, Sanford Paganucci, and Robert de Fremery, also toured Marin General recently. Cubs touring were Phyllis Abbott, Lori Barsocchini, Cindy Blaskower, Judy Bruce, Liz Bullard, Mary de Fremery, Marylyn Dustin, Maidie Foster, Ann Manwaring, Sally Niccolls, Joy Paganucci, Meg Rothrock, Roberta Shistar, Meg Stewart and Melinda Zeiss.

Boys enjoy touring the hospital, too, as is reflected in the interest shown by Cub Scouts in the accompanying picture.

Mrs. McNear Will Head Volunteers

Appointment of Mrs. Lawrence P. McNear as director of volunteers at San Rafael General Hospital has been announced by John H. Prescott, administrator.

Mrs. McNear organized the Women's Auxiliary at San Rafael General in 1958 with the help of Mrs. Leiton J. Elder and Mrs. Walter H. Lethbridge. She served as president until last October, when she was succeeded by Mrs. C. Bruce Greene.

In her new position, Mrs. McNear will direct the recruitment and training of volunteers at the hospital. She also will guide and coordinate the volunteer program, working with Administrator Prescott and Mrs. Patricia Leonard, director of nursing.

Mrs. McNear recently attended a conference for directors of volunteers in hospitals at the University of California Conference Center at Lake Arrowhead. The meeting was sponsored by the U.C. Extension Service.

Welcome Grandchild

Mr. and Mrs. Norris B. Holt of Sausalito became third-time grandparents on Feb. 2 when their son and daughter-in-law announced the arrival of their first child. The baby's parents are Mr. and Mrs. Donald Holt of Tamalpais Valley, who have named their first born Eric Bennett. His maternal grandparents are Capt. and Mrs. Charles Raison of Barbadoes, West Indies.

'MAGNOLIAS AND MEMORIES' FILM TO BE SHOWN BY 'Y' CLASS

The Marin YWCA will present "Mansions, Magnolias, and Memories" as a special feature of its current photography class on Feb. 23 at 7:30 p.m. in the Little Theater at San Rafael High School. This is the first of Kodak's new Signature Series Presentations and will be open to the public at no charge. Those attending are urged to come early, as there will be a limited seating capacity.

Hostess and lecturer for the evening will be "Margie" Schneider, the instructor for the YWCA photography class.

Through the magic of colorful Kodachrome slides, the audience is taken on an imaginary trip to the Deep South. Modern tape recording provides the sound effects to produce a "you-are-there" impression. Included among the many colorful scenes are views of Natchez mansions, a a drill team at Jefferson Military College, and the battlefield at Gettysburg. The accompanying sound effects simulate all of the noise of a real battle — including a real rebel yell!

Because "Mansions, Magnolias, and Memories" was planned for all who like the pleasant combination of picture-taking and vacationing, many tips for better travel pictures will be given.

Wives Club To Stage Mardi Gras

This week many stitches are being hurriedly sewn in costumes for the Hamilton Officers' Wives Mardi Gras to be held Saturday starting at 8 p. m. at the Officers' Club.

Chicken or shrimp in the basket will be served buffet style between 6 and 9 p. m. Dancing will start at 9 p. m. Prizes for costumes will be awarded in three categories, most grotesque, most interesting and most original. Three prizes will be awarded to couples and three to groups. At the appointed hour the Grand March will commence and then, climaxing the evening, the King and Queen will be crowned. From midnight until 2 a. m. a champagne breakfast will be served. No reservations are necessary, but organizations who wish to sit together may make arrangements by calling the Officers' Club.

Assisting co-chairmen Mrs. C. M. Isaacson and Mrs. D. A. Voight are Mesdames J. L. Krout, T. R. Bishop, L. W. Hough, R. C. McWay, R. L. Tweedie, Andrew Kowalski, M. E. Petty, H. R. White, W. M. Martin, L. N. Macomber, F. J. McGovern, L. M. Ludwig, R. V. Mulanax, J. D. Rogers, W. D. Taylor, E. F. Monoghan, T. B. Nordan and R. T. Smoyer.

CHARLOTTE FELTON AND PAT KOENIG practice as waitresses for the Sausalito Yacht Club Auxiliary's "Gaslight Night" to be held on Feb. 18. Happy recipients are from left, John Koenig, Henry Bigall and Leon Felton. "Love Rides The Rails," a three-act tragicomedy will be presented by the Twin City Troupers for the members and guests. Sausalito Yacht Auxiliary Sets The Stage For 'Gaslight Night'

Nineteenth century dandies and their belles will gather at the Sausalito Yacht Club on "Gaslight Night," Feb. 18, for a sentimental evening of fun and gayety—just as it used to be in grandpa's day.

In a flamboyant atmosphere of Victorian decor, there will be ballad singing, melodrama, and refreshments served by lovely ladies arrayed in bustles, bows and ostrich feathers.

"Love Rides the Rails," a three-ace tragicomedy calling for audience participation in the form of hisses (for the villain) and cheers (for the heroine) will be presented by the Twin City Troupers, 15 talented thespians directed by Ralph White of Corte Madera.

The play concerns attempted sabotage of the faithful Walker Valley—Pine, Bush & Pacific Railroad (a mail train). Simon Darkway, in dastardly endeavor to steal the railroad right-of-way, engages femme fatale Carlotta Cortez to place hero Pendenis in a compromising position—thereby hoping to cause a strike among railroad employees. Mr. Pendenis, about to be promoted to manager of the company, is engaged to the daughter of widow Hopewell, whose savings are all invested in Walker Valley—F. B. & P. It all ends happily, but only after much sighing, stomping and laughter. Many olio acts, including a can-can, will be staged between scene changes.

The Yacht Club Auxiliary sponsors the annual theater party which has been arranged this year by Mrs. Henry Bauman, assisted by Mesdames Henry Bigall and Edwin Halloran, who are providing the aura of plumes and velour suitable for a Diamond Jim or a delicate "Bird" in a gilded cage.

Mrs. John Ward of Sausalito and Mrs. William New of Mill Valley have marshaled the corps of serving girls. Table hopping among bowlers and picture hats are Mesdames John Koenig, Paul Sack, William Whitaker, Leon Felton, Robert Creighton, Henry Bigall, Leonard Delmas, Bruce Williams, Neil Munro, Peter Fromhage, Grove Nooney, Henry Bauman, Donald Salisbury, and Misses Cheryl Doyle and Meggs Gear.

Among those planning to attend are the Messrs. and Mmes. Robert Gill, John Sweeney, Jerry Talmage, George Swift, Steve Gordon, William Kellegrew, and Ernest Perry, who will have as their guests the Keith Kaulums.

The Henry Baumans will join forces with Pam Lopez, Dave Scheyer and Jim and Meloa Trimble. Mr. and Mrs. James Grisham will entertain fellow sailing enthusiasts, the Bruce Dixons, who will come up from the peninsula for the occasion.

Enjoying festivities with Doris and Bruce Williams will be the Messrs. and Mmes. Fred Locke, Robert Jensen, Robert Winkelman and Mr. Tom Hartnett.

Reservations from members and guests, who are urged to come in representative costume, are being accepted by Mrs. Marshall Foster of Tiburon.

Toastmistress Will Mark Anniversary

Marin Toastmistress Club No. 651 will hold its regular meeting tomorrow at 7 p.m. at the Woodlands Restaurant, in Kentfield.

This will be a special occasion to celebrate the sixth anniversary of the formation of the club. Mrs. Mabelle Culpepper, who was the first president, will give a resume of past activities.

There will be two other speakers, Mrs. Nell Swanson and Mrs. Barbara Konapack, newest member, who will give her "ice-breaker" speech.

Circle O Dance

Circle O Promenaders will hold their Saturday dance at Almonte Hall in Mill Valley at 8:30 p.m. with Neva Johannes of the "Star Swingers" calling. Refreshments will be served and dancing continues 'til midnight.

Hosts and hostesses for the evening will be Mr. and Mrs. Ed Foehr and Mr. and Mrs. Paul Chavez. All square dancers welcome.

Job's Daughters Plan Rummage Sale

Mill Valley's Bethel 119 of Job's Daughters will sponsor a rummage sale March 30 through April 1 at the American Legion Hall in Mill Valley, according to Sandra Tousey, senior princess, and Jean Treverton, junior princess.

A coffee bar featuring home made cake will be open during the sale hours of 9 a.m. to 6 p.m.

Purpose of the project is to raise money for the girls' respective installations when they step up to the position of honored queen.

They announce that donations of clothing, furniture, toys, books, jewelry and household items will be welcomed. Pick-up service can be arranged by calling Mrs. R. F. Tousey and Mrs. W. L. Treverton.

Tam Valley MYF To Give Dinner

The public is invited to a chicken dinner to be given Saturday in Kenny Hall of the Tamalpais Valley Community Church from 5:30 to 8:30 p.m.

The Methodist Youth Fellowship group is giving the dinner to raise money for a movie projector. Tickets will be sold at the door.

Buzzin' Boots Box Social Tomorrow

The Buzzin' Boots Square Dance Club has enjoyed its large new beginners' class and the presence of the many visitors who are attending regular Friday night square dances at the Star Hall in San Anselmo.

The new beginners' class appears to be a roaring success. Over 22 couples are sampling this new-fangled way of kicking up their heels and seem to be enjoying every minute of it.

The club has planned a box lunch social to be held tomorrow evening.

Committees for this Friday will be: Door hosts, Harry Kreuger, Fred Hicks and Bob McDermott. Serving, Bonnie Hicks, Marene Kreuger and Claire McDermott; clean-up, Bruce Sloan and Art Tisdale; coffee, Irma McLaughlin.

Junior Dance In Sausalito

The popular monthly Junior Dance sponsored by the Sausalito Woman's Club will have a Valentine theme when held tomorrow evening at the clubhouse.

For seventh and eighth graders living in Sausalito, the attendance this season has reached an all-time high.

Mrs. J. E. Connors Jr., chairman, has as her assistante for the event, Mesdames Jerome A. Adams, hospitality; Frederic Palmer III, refreshments, and Jack Woods, decorations. Chaperons for the occasion will be Messrs. and Mesdames A. C. Lyon, Leroy Mann, Wallace Mays, R. R. Schultz and Mrs. Gloria Scull.

Within their own group, the Juniors have chosen as host and hostess for the seventh grade Hans Atzigen and Jessica Roth. For the eighth grade, Robert Dinelli and Linda Pasquinucci will serve.

Wives Club Hosts Party At Hospital

Twelve members of the Hamilton Officers' Wives Club recently held a party for the patients of McDougall Ward of the Sonoma State Hospital. The club provided games prizes and refreshments for the patients. The party was rounded out with a community sing.

This month the wives will hold a "Queen for a Day" contests for the patients. Highlightng of the affair will be the taking of pictures of the girls as they stand attired in a robe and crown.

San Geronimo Guild Gives Date For Poolside Ballet

The Executive Board of the Women's Guild of the San Geronimo Community Presbyterian Church met for coffee recently at the home of Mrs. Robert Stommel to discuss plans for the San Geronimo Valley Poolside Ballet and Aquacade.

Mr. and Mrs. Edward Barbano of Camp Lagunitas in Lagunitas have offered the use of their pool and facilities again this year for the event which is scheduled for June 10. Arrangements for the salad luncheon which will be served around the pool are being made by Mrs. John Lindsey.

A program will feature dances by Virginia Caldwell's ballet group of San Geronimo Valley youngsters. Mrs. Edward Barbano will be in charge of the Aquacade.

This was the first meeting of the Guild's newly elected officers who were installed by Reverend John Bonner at the recent Guild meeting.

Officers for the coming year are Mesdames Laverne Hulbert, president; Henry Du Pertuis, vice president; Harry Cordone, secretary; Robert Stommel, treasurer.

The Guild has recently sent out its 1961 yearbook, a purse-sized booklet listing its officers, members, and the year's program. Anyone who would like to receive a copy of the program may do so by contacting either Mrs. Hulbert or Mrs. Cordone.

'Smokey' Feature Attraction For Saturday Movies

"Smokey," the horse made famous by Will James in his novel of that name, is the feature attraction at the afternoon children's movies at Kent Elementary School's multi-purpose room this Saturday, Feb. 11, at 1:30 p.m. Burl Ives, master of ballads; Fred MacMurray and Anne Baxter all appear in this color movie, which will be accompanied by a color cartoon "Don Donald."

The 10-week series of Saturday afternoon movies sponsored by Peter Pan Chapter of Children's Home Society is half way through its schedule and is proving to be a very popular activity. Chairman Mrs. Clayton Finch reports that the doors open at 1 p. m. for all showings which are supervised by Peter Pan members. The children are out at 3:15 p.m.

Mrs. Douglas Ballinger of Greenbrae may be contacted for birthday party reservations for the movies. This Saturday Angel Argiewicz, daughter of the Arthur Argiewiczes of Ross, is entertaining six of her Ross School friends in celebration of her seventh birthday. Paul Galli has invited all of the boys in his second grade class at Wolfe Grade School to see "Smokey" on the occasion of his eighth birthday. His parents, the L. A. Gallis of Kentfield, will escort Roger Grarham, Britt Renworth, Joel Forsyth, Brad Breithhaupt, Ken Heiman, Mark Baldwin, Sheldon Goodman, Steve Meyer, Steve Barbour, Peter Khourie, Jay Capella, Gary Merten, Victor Ruggles, Tony Denies, and Phil Guasco to the movie.

The portion of the movie schedule remaining is as follows: Feb. 11, "Smokey"; Feb. 18, All-Color Cartoon Show; Feb. 25, "Frogmen": Thrills of underwater demolition by the U. S. Navy; March 4, "Pride of St. Louis": Stars Dan Dailey as "Dizzy" Dean; March 11, "Mr. Scoutmaster": Clifton Webb in a very funny role.

Cook School Founders' Day This Evening

Founders' Day at Isabel Cook School will be celebrated tonight with a short resume of its beginning followed by hobby and craft displays and demonstrations by several Marin artists and collectors.

Mrs. Amy Grant will demonstrate enameling on copper. Mrs. Nellie A. Rucker will demonstrate mosaics made with natural stones. Both are members of the Marin Society of Artists.

Milo Bird, member of the Marin Mineral Society, will display minerals and answer questions on mineral collecting. Helen Van Cleve Park will have a display of buttons which Mrs. L. A. Perazzo will show and explain. The meeting will be held at the school auditorium at 8 p.m. Children are also invited to attend.

Refreshments will be served after the meeting.

ALMANAC

Today is Thursday, Feb. 9, the 40th day of the year with 325 more in 1961.

The moon is approaching its new phase.

The evening stars are Venus, Mars and Mercury.

On this day in history:

In 1773, the ninth U.S. President, William Henry Harrison, was born.

In 1825, the House of Representatives elected John Quincy Adams President of the United States.

In 1900, 7,000 construction workers in Chicago voted to strike for an eight-hour day.

In 1933, the League of Nations directed Japan to surrender her Chinese conquests.

In 1943, Japan evacuated Guadalcanal in the face of overwhelming American military superiority.

A thought for today: French writer Emile Zola said: "Truth is on the march and nothing can stop it."

If Solons Want Pay Raise They Must Cut Expenses

Many legislators were disappointed and amazed when the voters turned down their request last November for a raise in pay. They had asked that their $500 per month be increased to $750 per month.

More than three million California voters said No.

Why? ask the legislators. Haven't we been doing a good job? Isn't it almost a full time occupation? Is $6,000 a year enough to pay us? Is $9,000 too much?

Strangely enough, most California workers think that $6,000 a year for part time work is pretty good pay, many of them don't get that much for full time. But they expect they will have to pay a little more for good legislators.

Their point is that they already do. And figures released last week in Sacramento seem to uphold this opinion.

According to the State Controller, California paid its legislators an average of $9,119 each for a year's work in which less than two months were in sessions in Sacramento. The salaries, plus expenses, ranged as high as $13,172 for one assemblyman to a low of $6,518 for one senator.

The voter, with his own take-home pay considerably below these figures, looks and begins to wonder if the solons need a salary boost. Then he decides they don't.

Of course the total income of the legislators has several sources. The $6,000 salary is basic. Then they receive an $18 per day living expense while in Sacramento during the session—most of them drew $798 for this last year. Then they get one round trip to the capital from their home, paid for at five cents per mile.

But when the legislature is not in session, the income can pile up. The solons get $20 per day expenses when attending committee meetings, and 15 cents per mile for travel from his home to those meetings.

Certainly the voter wants to pay the real and actual expenses for his legislators. But 15 cents per mile? No type of transportation costs that. Expenses while living in Sacramento? Certainly it costs more to run two homes instead of one, but does the home away from home have to be plush?

In short, we doubt that our legislators will ever get the voters to raise their salaries until they attack the overall problem. Not only must they ask for increased pay checks, they must also promise to make their expenses realistic, and put teeth into the rules to prove it.

Then perhaps, the voters will give more careful consideration to a pay hike.

HEALTH PROBLEMS IN CONGO

An appalling shortage of physicians is one of the big problems facing the new Congo nation.

Outbreaks of smallpox, bubonic plague, sleeping sickness and other infectious diseases have been multiplied because of the acute doctor shortage.

A recent count, in failing to reveal a single qualified Congo physician, points up the prospect that it will be at least 20 years until medical needs can be met without outside help. Only a few hundred medical men from other countries are now in the African state —a nation as large as Europe, with a population of 14 million.

The plight of people in the Congo and many other newly developing nations should deeply concern every follower of Christ. Think for a moment what you would expect of others if you were in a disease-threatened country with only one doctor for every 40,000 people. Then do what you can, however little, to help fill this enormous need.

"I was a stranger, and you took Me in: naked and you covered Me: sick and you visited Me." (Matthew 25:35-36)

O divine Physician, inspire more to dedicate their lives to the care of the sick and poor over the world.

HAL BOYLE'S COLUMN

It's Not Housework, It's Phones, Doorbells That Make Wives Tired

YOURVILLE, U.S.A. (AP) — One morning recently Wilbur Peeble, average American husband, woke up with a cold. His wife, Trellis Mae, told him:

"I'm not going to let you go to the office. You just stay home and rest.

"I have a lot of shopping to do in town, so you'll have the place to yourself all day. It'll be nice and quiet."

After fixing his breakfast, Trellis Mae left. Taking his morning paper, Wilbur sank back into bed.

"Ah-h-h," he sighed gratefully.

Then the doorbell sounded. Wilbur grunted, got up, wrapped his dressing robe around him and padded to the door.

"You got any knives you want sharpened?" said a man.

"No," said Wilbur. Back he padded to bed.

Five minutes later the doorbell sounded again. It was the laundry man. Back went Wilbur to bed.

The doorbell sounded. It was the man from the dry cleaners. Wilbur crawled back to bed. Before he could pull the covers over him, the phone rang.

"The cookies you ordered from the Girl Scouts have arrived," said a small voice. "Shall we bring them over today?"

The doorbell sounded. It was a lady collecting for charity. Before Wilbur could reply to her the phone rang.

"Have you had your insurance policies checked lately?" demanded a deep male voice.

So the day went. If it wasn't the doorbell sounding, it was the phone ringing—or both ringing at once.

When Trellis Mae entered at nightfall, she found Wilbur, holloweyed, sitting in a chair midway between the door and the telephone, his glance shifting from one to the other like a trapped animal.

He looked so wild she called the doctor who, after checking Wilbur, told him:

"YOU'RE SUFFERING from acute physical exhaustion from overwork. Better stay home a few days and take it easy."

"Stay home!" screamed Wilbur. "I could take it easier in a railroad terminal."

NOW, WHENEVER a husband wonders aloud how wives get so tired in a house full of labor-saving gadgets, Wilbur knows.

The housework is easy. It's running from the doorbell to the telephone that really wears them down.

20 YEARS AGO

Twenty years before this period, recalled the San Rafael Independent, a move got under way in San Rafael to organize a newfangled organization to be called the Rotary Club.

T. J. Delasaux submitted his final report to the Mill Valley City Council on its proposed municipal bus service as Mayor T. Fred Baghaw repeatedly said, "if and when we establish service." A letter from a taxpayer protested the city's proposed venture "under present competitive circumstances."

Must Consolidate School Elections

EDITOR,
Independent-Journal:

The bill being introduced in the State Senate by Marin County Senator John F. McCarthy, whereby no special elections on school money matters within 90 days of a state election will be called is, in the minds of many with whom I have discussed this question, a very worthy measure. I sincerely hope it will pass.

The consolidation of any school election, relative to the points as outlined in the bill, with statewide elections would be quite a saving to the taxpayers.

I would like at this time to commend Senator McCarthy for presenting this bill for passage.

A resolution with reference to this matter was passed by the 1956 Grand Jury of Marin County and was presented to the Legislature but pocket vetoed by Gov. Goodwin Knight which resulted in a needless expense to the taxpayers.

Doesn't Agree With Brickbat

EDITOR,
Independent-Journal:

I enjoyed reading Bouquets and Brickbats" appearing in your issue of Jan. 28 I do not agree with the item in which you say:

"Brickbats to voters who went all out for economy at the polls a few months back but have since proven themselves mighty short on suggestions as to how the county's supervisors, or any other governmental agency, can bring about any great amount of it."

But why blame the poor voter and taxpayer? It is well known that the hospital bonds were defeated twice out of resentment of the way this important humanitarian need was bypassed by the majority of the former Board of Supervisors. I believe that the vast majority of voters will agree that the following rewording would be in order:

"BRICKBATS to the majority of the former Board of Supervisors who committed and squandered some four million dollars on the first stage of the civic center-Frank Lloyd Wright monument, so unpopular with the majority and so overwhelmingly defeated in previous elections, who did nothing about making repairs and improvements to the Lucas Valley County Hospital, so badly needed; who paid no attention to the innumerable repeat letters from the Board of Health requiring these repairs, while they kept on accumulating millions of dollars for this luxury civic center when half of that fund would have built the new hospital, so sorely needed. The poor and aged would have been taken care of if the present majority of the board had been in office the last four years."

Why Has Marin Model T Attitude

EDITOR,
Independent-Journal:

Now that various overheated tempers have cooled down, I would like to express a few normal ideas on two subjects: the civic center and a county hospital.

I must say I am relieved to know that San Rafael will not have a "concrete skeleton" as a monument to waste and stupidity, such as stands several miles north of here in one of our California towns. That one involved several hundred thousand dollars, while our's could have cost a couple of million. Dollars, that is.

I hope the supervisors will fully realize the need for a large civic center and push the whole plan to as speedy a completion as they possibly can. Let them see how little this county has to offer in comparison to nearby Solano County.

We should have a good track where our boys can have drag races if they want, or stock cars, and "buzzer buggies" (these are small get-ups using chainsaw engines and are lots of fun) or horse and sulky racing.

We need a large water course for speed boat racing and water skiing. And a decent fair grounds, not the hopeless make-shift projects of the past that have taken all the heart out of so many of our fine young businessmen who have tried to interest the people of Marin County. Why should this county have such a Model T attitude?

Marin can afford such a facility and should have it.

I hope the supervisors will exhibit some better-directed disregard and bludgeon the self-satisfied people of the county into providing an adequate county hospital. To be sure, many people thought that they were gettitng just that when they voted bonds for Marin General, instead of a posh establishment where the cost is higher than at the hospitals already operating.

But that is water under the bridge. It is true that taxes go higher and higher, but the more people you have, the more it costs to take care of them—whether it's a family or a county or a state.

I beg the people of Marin County to look beyond tomorrow and have the Wright things ready at the right time—when they are needed. We should accept the responsibility of providing for the future, and accept the responsibility now.

TRY AND STOP ME

BENNETT CERF

During a recession an unemployed young man, anxiously scanning the want ads, read one that demanded only that the applicant have certain physical measurements. So he applied immediately for the job.

"You're hired," he was told. "Wait a minute," he demurred. "You have not told me yet what I have to do." "Confidentially," said the interviewer, "the gorilla at the zoo died, we saved the hide, had it treated, and you now have the foolproof job of impersonating the jungle giant."

The young man took the job, and soon became adept at doing gorilla tricks — particularly swinging wildly on the trapeze. But one day the trapeze broke at the top of his swing, catapulting him over the trees into the cage of a ferocious lion which roared and made a leap for him. The young man hollered, "Help! Help!" Then the lion whispered hoarsely, "Shut up, you darn fool, or we'll both lose our jobs."

Record Turnout Due To Discuss Incorporation At Tiburon C of C

Attendance at the Tiburon Peninsula Chamber of Commerce meetings seems to fluctuate in direct proportion to the subject under discussion and how it affects the local businesses.

We predict a record turnout at this month's meeting next Tuesday when the controversial and "hot" subject of incorporation comes up.

Seems viewpoints differ between members of the board of directors on how the study should be conducted. The luncheon may wind up being swallowed in haste while the battle rages for the chamber endorsement of one side's proposed study or another's.

The last time the chamber luncheon was jammed was the day that Milton M. Tonini unveiled his plans for a swank T-shaped spit of smart shops, boatels and restaurants next to the Northwestern Pacific railroad yards.

Even the proposed parking authority for downtown Tiburon, which flared at times when former planning commissioner Mrs. Margaret Azavedo and Tiburon property owner Fred G. Zelinsky differed, did not bring out the members enmasse.

So it will be interesting to see how the battle lines have formed when newly-elected president William S. Johnstone gavels his first meeting.

YOU CAN ALWAYS count on a laugh whenever anyone brings up the subject of sewers at a Tiburon peninsula meeting . . . no matter how solemn or vituperative the meeting had been.

During one of the recent meetings on incorporation, those present were discussing downtown properties in relation to the sales tax to be gained under incorporation. The question came up that part of the Boardwalk shopping center was in Belvedere. Someone asked "which part?"

Tiburon Sanitary District secretary Robert A. Sterling outlined in detail which section of the Boardwalk was in Tiburon and which in Belvedere . . . winding up, "the washrooms in Embee's are in Tiburon."

Fred C. Hannahs quipped "nothing is ever simple in Tiburon." The laughter was needed in an otherwise rather tense meeting.

AND DID YOU KNOW that sales tax can only be collected in the city in which the cash register is located?

Tiburon peninsula residents will be full of information such as this before the incorporation movement is finished.

"MUCH HAS BEEN written about inefficiencies in the postal department. We have to hand it to them for the delivery of the following letter from Morocco, addressed as follows:

Mr. Prewitt Brekiuride Martha
1845 N T. View Drive
Tiburce, California, USA.

The letter was from a hotel which Mrs. Clifton R. Breckinridge visited last summer. She signed the guest register as "Mrs. Martha Prewitt Breckinridge." Her address is 1845 Mountain View Drive, Tiburon.

Our hats off to the clerk that translated "Tiburce" into "Tiburon"!

Kennedy Right In Telling Generals To Lower Their Voices In Cold War

WASHINGTON—The decision of the Kennedy administration to tone down the speeches of the "generals" on foreign policy is obsolutely right, has long been needed. It is no reflection on the able, dedicated leaders of the armed services, including Adm. Arleigh Burke who was first to be affected.

Evidently Defense Secretary Robert S. McNamara, with White House approval, has decided to put promptly into practice the wise credo of Teddy Roosevelt: "Speak softly but carry a big stick."

In directting the military to lower their voices in the cold war, President Kennedy is not planning to give the services less to work with; he is acting to give them more—more deterrent power, more defensive power, more limited-war capability. But he is, in effect, directing the Joint Chiefs of Staff and other Pentagon orators to talk about it less.

THE ADMINISTRATION'S decision rests upon a new tactic and an old principle.

The new tactic of the U. S. is to take some of the name-calling out of the cold war and to see if the Soviets might like to follow suit.

The old principle is that significant pronouncements of foreign policy, including foreign military policy, should be made by the President or the Secretary of State. The exceptions are when some other high official of the government is expressly chosen to do so for a special purpose.

THE ISSUE HERE is not at all one of censorship, but a matter of responsible government. The Joint Chiefs of Staff are advisers to the President. They are advisers to Congress. It is their duty to give their candid opinions to Congressional committees when they are asked.

But they are not advisers to the country. Therefore, when they speak publicly it is their duty to expound the policies of the President and to speak as little or as much as the President directs.

There are plenty of reasons to justify the decision that Admiral Burke and Air Force Chief of Staff Gen. Thomas White re-write a couple of speeches.

Too much speaking and too much "tough speaking," especially when it treads on foreign policy, downgrades and weakens the President's pronouncements in the eyes of other governments.

Such speeches risk misstatement and invite misunderstanding.

IT ISN'T JUST the generals and the admirals who have occasionally done harm by talking out of turn. It is the brigadier generals and the colonels and the others down the line who, at one time or another, have played into the hands of the Communist propagandists by talking about "dropping the bomb" and "preventive war" and thus adding to the false image of America the Communists try to paint.

There well may be times to raise the nation's voice louder than usual, but if too many raise their voices too often, there will be no way for the world to know which voice is talking policy and which voice is just talking.

Fortunately the man who had to begin the new speech-editing task and who will have to bear the brunt of a thankless but necessary job is a stern-willed, stiff-spined former Washington correspondent of the "Newark News," Assistant Secretary of Defense for Public Affairs Arthur Sylvester. Messrs' Kennedy and MacNamara chose the right agent.

At Last A State Is Recognizing That Children Are Citizens, Too

At last a state is doing something about children's rights!

While children are American citizens, they can be arrested on the merest shadow of suspicion. They can be locked up for months on end, without trial or open inquiry. They usually are denied the right to have attorneys. They are not released on bail, and can be shipped summarily to reform schools.

But it's legal, all within the juvenile laws of our states.

Why? Because the laws don't protect their civil rights. The laws were enacted 40 or more years ago. The idea was to protect and rehabilitate young delinquents. Everything was to be done quietly. The officials were to be friendly. They were to be intent on helping instead of prosecuting children.

The results are something else. The laws give vindictive officials a hundred ways to crack down. I've known children to be spirited away to reformatories before their parents were notified they had been arrested. I've known others who waited five months before they had a hearing, waited in noisome adult jails. I've seen children driven insane by our present procedures. I've known of brutality which went unchecked even after exposure.

Such things have happened in every state. The officials have too much power.

Now one state, California, is proposing a new juvenile court law. It drastically curtails official power, provides children bail attorneys, and time limits. It protects parents' rights.

Will the other states follow suit? Will they revise their laws too? I hope so.

Science Students Readying Projects

Marin County high school science students are working on projects from which entries are to be chosen for the 1961 Bay Area Science Fair, according to County Supt. Virgil S. Hollis.

Deadline for entries is March 22, 350 finalists will be chosen from an estimated 5,000 contestants from 175 public and parochial high schools of 12 counties, and the fair will be open April 8 at the Academy of Sciences in Golden Gate Park to continue through April 12 with admission free.

Cups, medals and ribbons will be awarded at grade levels and two top winners will compete in a national contest in Kansas City next May.

Seven From Drake In Speech Contest

Seven students will represent Sir Francis Drake High School in the Lions Club 24th annual speech contest, Drake Oral English teacher Mrs. Annie Beth Watson announced.

Junior Joan Everson of 1124 Butterfield Rd., Sleepy Hollow; junior Sharon Hull of 17 Brookmont Avenue, San Anselmo; junior Adrienne Kehde of 41 Austin Avenue, San Anselmo; junior David LeCount, Box 45, Lagunitas; senior Greg Moder of 106 Broadmoor Avenue, San Anselmo; senior Charlotte Pearce of 161 Butterfield Road, San Anselmo, and junior Lorelyn Youngclaus, of 10 Court Lane, Fairfax, will speak on "Our National Heritage Pattern for Today," for a possible top prize of a $1,500 scholarship.

Portable Heart-Lung Machine Developed

BOSTON (UPI)—A heart-lung machine no larger than a portable television set has been developed at Boston City Hospital for use during cardiac surgery, it was announced today.

The pump-oxygenator can be operated by one technician and needs only two pints of blood for "priming." Models now in use require a highly skilled team of operators and large quantities of blood.

New Bill Would Aid Class Of Employees

SACRAMENTO (AP) — Training for workers thrown out of jobs by automation was proposed today by Assemblyman Augustus Hawkins (D-Los Angeles).

His bill would give those either unemployed or threatened with unemployment because of changing technology the opportunity to learn a new trade. They would be placed under the jurisdiction of the California Apprenticeship Council.

EXTRA WORK FOR HEART

High Blood Pressure Affects Five Million

More than five million Americans have high blood pressure, or hypertention, as doctors call it. In most cases, proper medical care helps the condition, says a leaflet titled "Your Blood Pressure," available on request from the Marin County Heart Assn.

Hypertension is "not necessarily a serious disease," the leaflet points out. But it adds that physicians "do not take it lightly" because it "puts an extra share of work on heart and arteries — these overworked parts may not function as well as they should if hypertension continues for a long time."

If you have symptoms that sometimes go with hypertension — headache, dizziness, fatigue — tell your doctor, the leaflet advises. It briefly explains what blood pressure is and how the doctor will examine you. He will tell you what treatment — if any — (such as drugs, diet, etc.) he considers best for you.

In addition, the leaflet says, there are some general rules that most hypertension patients should follow:

Try not to worry.

Keep your weight normal—overweight overworks your heart.

Follow your doctor's advice on use of tobacco and alcohol.

Get plenty of sleep.

Choose sports that are not competitive.

Rest before you are tired.

"Your Blood Pressure" is one of four Heart Assn. publications offered free to the public in "Protect Your Family," a leaflet Heart volunteers will carry on their calls during February, Heart Month.

HEART MONTH LEAFLETS AVAILABLE

Most heart attack victims recover.

Rheumatic fever can be prevented.

High blood pressure can be controlled.

Many stroke patients can be treated effectively.

These reassuring points are highlighted in a new health-saving leaflet which the American Heart Assn. and its affiliates will distribute to 23 million Americans during February, Heart Month.

Entitled "Protect Your Family," the leaflet seeks to direct families to sources of information on these four main forms of heart and circulatory diseases. Space is provided for the name, address and telephone number of the family doctor and the suggestion is made that the leaflet be posted in a handy place for ready reference.

Additional copies may be requested from the Marin County Heart Assn.

Civic Center Can Prove Profitable, Article Says

Marin County will ultimately cash in richly through providing a Frank Lloyd Wright-designed Civic Center, says the February issue of the national Architectural Forum magazine. The article is headed "A Fine Monument Can Be a Profit, Too."

"Good sense and honorable dealing," says the magazine, "were very nicely restored in California's Marin County last month when the county's new Board of Supervisors reversed a stop-order and allowed the building of Frank Lloyd Wright's posthumous Marin County Civic Center to proceed.

"Apparently two new county supervisors had been infected with the nervousness felt by the newer, less art-conscious settlers in the county, lest taxes be increased by construction of an architectural monument of high aims."

After reviewing the story and paying tribute to the "sensible report" of architects Crawford and Banning "that conversion could not be made without adding even greater expense—and creating an inefficient hospital to boot," the article says:

"Let Marin County rest easy. If this should turn out as Frank Lloyd Wright work usually does, it will bring into the county a veritable stream of tourists and sightseers and their families, profitable to the whole county."

The magazine recalls how Herbert Johnson of Johnson Wax Co. was asked years ago how much money he might save by having Wright design the building, and that Johnson retorted:

"Save? Whatever made you think that a building by Wright would do that? It will cost you money, man, but think how much you will make. Profits, not savings, are what you should do it for.

"Twenty years from now you will still need guides to show the visitors through; the building will do for your business as much as any advertising ever did."

The magazine concludes:

"And this has been so, and something like it promises to happen also in Marin."

Drake High Graduates Due Honors

An "award of merit" will be given to Sir Francis Drake High School by the University of California, honoring the high scholastic achievement of 1960 Drake graduates in their freshman year at U.C.

A similar award was presented by UC last year for 1959 graduates.

Principal Harold Allison recently received notice of the award, to be presented to Drake students and faculty at an assembly.

Drake, with 14 graduates now UC freshmen, is one of six California high schools to win this award in its division.

According to information received by Allison in the UC report, the average gradepoint of Drake freshmen entering all branches of U.C. from the 1960 class was 3.50, and average college gradepoint was 2.74. Average college gradepoint of UC freshmen graduated from all other high schools was 2.36 for the first semester, while average entering gradepoint from high school was 3.47, similar to Drake's.

These figures represent a significantly smaller drop in grade averages from high school to college for Drake graduates at UC than for graduates of most other high schools, Allison said.

Soloists will be David Del Tredici, Daniel Shelasky and Robert Jacobson.

Racial Discrimination Bill Is Introduced

SACRAMENTO (UPI)—Majority Democrats in the Assembly agreed yesterday to throw their full support behind a bill designed to prevent racial discrimination by persons with state licenses.

The bill was introduced by Assemblyman Phillip Burton (D-San Francisco) with 14 coauthors. Under the proposal, persons or businesses would face loss of their state license if they persisted in discriminating against persons of a minority race.

Measure Would Boost Unemployment Tax

SACRAMENTO (AP)—A bill to boost the state unemployment tax on California employers was introduced yesterday by Assemblyman William A. Munnell (D-Montebello), the lower house majority leader.

The bill, part of the AFL-CIO California Labor Federation's program, would raise the amount of taxable wages from $3,600 to $6,000. The tax rate ranges from .3 per cent to 3 per cent.

CITY OF SAN RAFAEL MARIN BAY IMPROVEMENT DISTRICT NO. 1 RESOLUTION NO. 2441 RESOLUTION OF INTENTION

WHEREAS, in accordance with the provisions of Section 2804 of the California Streets and Highways Code all of the owners of all of the property to be subject to assessment for the proposed acquisitions and improvements hereinafter described have signed and filed with the City Clerk of the City of San Rafael a written petition for said acquisitions and improvements in proceedings to be taken by the Council of said City, pursuant to the Municipal Act of 1913, and for the issuance of bonds in said proceedings under the Improvement Act of 1911, and by said petition waived all proceedings required by the provisions of Division 4 of said Streets and Highways Code (being the Special Assessment Investigation, Limitation and Majority Protest Act of 1931, Streets and Highways Code Sections 2800-3012); and

WHEREAS, the Council of the City of San Rafael, by its resolution entitled "Resolution Appointing Engineer," adopted January 23rd, 1961, appointed Daniel Coleman Engineering Company, Engineer in the State of California, as Engineer to do and perform all engineering work necessary in and for said proceedings, including all preliminary surveying, preparation of plans, profiles, specifications, estimate of costs, diagram, assessment, setting grade stakes and supervision of work; and

WHEREAS, the public interest and convenience require the construction and acquisition of said proposed acquisitions and improvements:

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF SAN RAFAEL, STATE OF CALIFORNIA, as follows:

1. The foregoing recitals are true and correct and the Council so finds and determines.

2. The Council hereby finds that said petition has been signed by the owners of all of the property to be subject to assessment for the proposed acquisitions and improvements hereinafter described and hereby grants said petition and hereby determines that the situation described in clause (3) of Section 2804 of the Streets and Highways Code exists and that Division 4 of the Streets and Highways Code shall not apply to the proceedings hereinafter provided for.

3. The public interest and convenience require the installation and acquisition of the proposed acquisitions and improvements hereinafter described.

4. It is the intention of the Council of the City of San Rafael to order the following work to be done and acquisitions and improvements to be made in the City of San Rafael and the County of Marin in an assessment district (hereinafter provided for) designated "Marin Bay Improvement District No. 1," the exterior boundaries of which are hereinafter specified and described in paragraph 5 hereof, said work to be done and said acquisitions and improvements to be made being briefly described as follows:

Construction and installation of two major water transmission lines of 16 inch diameter along public easements within said District and from the westerly boundary of said District to the water storage facilities of the Marin Municipal Water District, a sewage treatment plant to be located in Marin County, California, outside the District boundary and outfall sewer lines connecting said plant with the place of disposal and a sewage pumping plant within said District (including necessary excavation, pipe work and appurtenances) to pump sewage through the force main to the sewage treatment plant.

Acquisition of system of domestic water supply, fire hydrants and water transmission lines including a distribution system, pressure system and fire hydrants in the subdivided area in said District known as Marin Bay Unit One, three transmission lines of 6, 12, and 14 inch diameter, respectively, to provide water service to the District, pipes, valves, connections and other water facilities and appurtenances.

Acquisition of sewage collection and transmission system including collection sewers and facilities in the subdivided area in said District known as Marin Bay Unit One, force transmission main along public streets and easements from the sewage pumping plant to the sewage treatment plant, sewers, pipes, cleanouts, wyes, manholes, lampholes and appurtenances; and acquisition of land for sewage treatment plant site and sewage pumping plant site and easements for collection and transmission sewer lines.

Acquisition of drainage system and facilities within said District including drainage pumping plant, catchbasins, storm sewers, pipes, drainage channels, lagoons, dykes, manholes, slope planning and erosion control and appurtenances; and acquisition of land for drainage pumping plant site, and easements for lagoons, channels and flooding.

Acquisition of grading, streets, curbs, gutters, sidewalks, paving, landscaping, street signs, monuments and barricades, and acquisition of land for street use, all within the subdivided area in said District known as Marin Bay Unit One.

Acquisition of underground electrical facilities including cables, lines, conduits, ducts, electroliers, transformer and appurtenant works and appliances for providing electricity and electric service within the subdivided area in said District known as Marin Bay Unit One.

Acquisition of gas mains, pipes, and other works, appliances and facilities to provide gas service within the subdivided area in said District known as Marin Bay Unit One.

Acquisition of underground telephone facilities including pipes, conduits, manholes, service boxes and appurtenant works and appliances for supplying telephone service within the area in said District known as Marin Bay Unit One.

Except as in this resolution otherwise specifically provided, all of said work, acquisitions and improvements shall be made and done pursuant to the Municipal Improvement Act of 1913.

5. Said Council hereby declares that the territory within the boundaries hereinafter specified and described in the district to be benefited by said work, acquisitions and improvements and to be assessed to pay the cost and expenses thereof; that the expense of said work, acquisitions and improvements is hereby made chargeable upon said district; and that the exterior boundaries of said assessment district are hereby specified and described to be as shown on that certain map now on file in the office of the City Clerk of the City of San Rafael entitled "Assessment Diagram of Marin Bay Improvement District No. 1," which said map indicates by a boundary line the extent of the territory included in said proposed district and shall govern for all details as to the extent of the assessment district.

6. All public streets, alleys, easements and ways and all publicly owned property of the County of Marin, the State of California and the United States of America in said assessment district in use in the performance of a public function shall be omitted from said assessment hereafter to be made to pay the cost and expenses of said work, acquisitions and improvements.

7. The Council hereby declares and notice is hereby given that serial bonds payable to bearer to represent unpaid assessments of $50 or more and to bear interest at a maximum rate of not to exceed 6% a year payable semi-annually will be issued hereunder in the manner provided by Division 7 of the Streets and Highways Code, the Improvement Act of 1911, and said bonds shall extend over a period not exceeding 14 years from the 2nd day of January next succeeding the next September 1st following their date. The Council hereby elects to have the redemption provisions of each of said bonds provide a premium of five (5) per cent of the unpaid principal thereof.

8. The Council hereby finds and determines that if the assessment herein proposed results in a surplus in the improvement fund to be provided in the proceedings hereafter to be taken pursuant to this resolution, after the acquisition and improvements are completed, said surplus shall be refunded or credited pro rata to the parties assessed, all in accordance with the provisions of Section 10427 of the Streets and Highways Code.

9. The Council hereby refers said proposed work, acquisitions and improvements to said Daniel Coleman Engineering Company, Engineer in the State of California, and hereby directs said Engineer to make and file with the City Clerk of the City of San Rafael a report in writing containing the matters specified in Section 10204 of the Streets and Highways Code.

10. It is the intention of the Council of said City that the electrical facilities, including cables, lines, conduits, ducts, electroliers, transformer and appurtenant works and appliances for providing electricity and electric service within the subdivided area in said District known as Marin Bay Unit One, shall be sold to the Pacific Gas and Electric Company without calling or advertising for bids.

It is also the intention of the Council of said City that the gas mains, pipes and other works, appliances and facilities to provide gas service within the subdivided area in said District known as Marin Bay Unit One, shall be sold to the Pacific Gas and Electric Company without calling or advertising for bids.

It is also the intention of the Council of said City that the telephone facilities, including pipes, conduits, manholes, service boxes and appurtenant works and appliances for supplying telephone service within the area in said District known as Marin Bay Unit One, shall be sold to the Pacific Telephone and Telegraph Company without calling or advertising for bids.

It is also the intention of the Council of said City that the improvements for providing water service, to wit: the system of domestic water supply, fire hydrants and water transmission lines including a distribution system, pressure system and fire hydrants in the subdivided area in said District known as Marin Bay Unit One, three transmission lines of 6, 12 and 14 inch diameter, respectively, to provide water service to the District, pipes, valves, connections and other water facilities and appurtenances, and the two major water transmission lines of 16 inch diameter along public easements within said District and from the westerly boundary of said District to the water storage facilities of the Marin Municipal Water District, shall be sold to said Marin Municipal Water District without calling or advertising for bids.

Said improvements for providing electricity and electric service, gas service, telephone service and water service are more particularly set forth in said Engineer's Report to be filed in the office of the City Clerk on the day of the adoption of this Resolution of Intention and prior to the publication of this Resolution of Intention as provided below.

The Council hereby finds and determines as follows: That said improvements for supplying electricity and electric service, said improvements for providing gas service, said improvements for providing water service, and said improvements for supplying telephone service, and each of them, so proposed to be sold cannot be economically and efficiently operated and maintained by the City of San Rafael, and the Council proposes to sell the same as aforesaid for the reason that said City has no facilities, personnel or ability for the operation and maintenance of said improvements for providing or supplying such services or any of them; that said Pacific Gas and Electric Company is the only utility, or person or corporation that has the facilities, personnel and ability for the operation and maintenance of said improvements for providing electricity and electric power service or for the operation and maintenance of said improvements for providing gas service; that said Pacific Telephone and Telegraph Company is the only utility, or person or corporation that has the facilities, personnel and ability for the operation and maintenance of said improvements for supplying telephone service; said Marin Municipal Water District is the only district, or person or corporation that has the facilities, personnel and ability for the operation and maintenance of said improvements for providing water service; and that calling or advertising for bids prior to said proposed sales, or any of them, would be futile and useless under the circumstances and would not result in competitive bidding and that the public interest will be furthered by the sales of said improvements as herein provided, and each of them, without first calling or advertising for bids.

Said improvements so proposed to be sold as aforesaid are useful and necessary for the rendition of services to the Marin Bay Improvement District No. 1 within said City, and the sales thereof shall be conditional upon the respective purchaser thereof maintaining and operating such improvements for the purpose of providing the service for which it was intended to be used.

NOTICE IS HEREBY GIVEN that Monday, the 27th day of February, 1961, at the hour of 5:15 o'clock P.M., in the meeting room of the Council of the City of San Rafael, City Hall, San Rafael, California, are hereby fixed as the time and place when and where persons objecting to said proposed sales of said improvements, or any of them, may appear before the Council of the City of San Rafael and show cause why said proposed sales, or any of them, shall not be made. At said time and place any owner of property assessed or being assessed to pay for the acquisition, construction or installation of said improvements proposed to be sold, or any of them, may appear before said Council and object to the sales, or any of them. At any time not later than said time set for hearing objections, any owner of property assessed or being assessed to pay for the acquisition, construction or installation of said improvements proposed to be sold, or any of them, may make and deliver to the City Clerk of said City a written protest against the proposed sales, or any of them. Failure to object in writing at said time will constitute a waiver of all objections to the proposed sale or sales and a bar to any subsequent attack on the validity of such sale or sales.

The City Clerk of said City is hereby authorized and directed to cause this Resolution of Intention to be published once a week for two (2) successive weeks in the INDEPENDENT-JOURNAL, a daily newspaper of general circulation in the City of San Rafael.

PASSED AND ADOPTED this 23rd day of January, 1961, by the following vote:

AYES: Councilmen Aby, Baar, and Mayor McInnis
NOES: Councilman Jensen
ABSENT: Councilman Menary.

APPROVED:
/s/ JOHN F. McINNIS,
Mayor of the City of San Rafael, California.

(SEAL)
ATTEST:
/s/ W. C. CORNWELL,
Deputy City Clerk.
No. 124 Feb. 2, 9, 1961

NOTICE OF IMPROVEMENT

NOTICE IS HEREBY GIVEN that on the 23rd day of January, 1961, the Council of the City of San Rafael, County of Marin, State of California, adopted its Resolution of Intention No. 2441 wherein it declared its intention to order the work to be done and acquisitions and improvements to be made in said City of San Rafael and in said County of Marin (as briefly described therein and hereinbelow) in an assessment district (described and provided for in said Resolution of Intention) designated "Marin Bay Improvement District No. 1," comprising the territory described and provided for in said Resolution of Intention.

NOTICE IS FURTHER GIVEN that said Council, in and by said Resolution of Intention, referred the proposed work, acquisitions and improvements to Daniel Coleman Engineering Company, Engineer, and directed it to make and file with the City Clerk of the City of San Rafael a report in writing containing the matters specified in California Streets and Highways Code Section 10204 and that said Engineer duly made and filed its report, herein called "Engineer's Report" with said City Clerk on January 26, 1961; and that the work to be done and acquisitions and improvements proposed to be made are briefly described as follows, to wit:

Construction and installation of two major water transmission lines of 16 inch diameter along public easements within said District and from the westerly boundary of said District to the water storage facilities of the Marin Municipal Water District, a sewage treatment plant to be located in Marin County, California, outside the District boundary and outfall sewer lines connecting said plant with the place of disposal and a sewage pumping plant within said District (including necessary excavation, pipe work and appurtenances) to pump sewage through the force main to the sewage treatment plant.

Acquisition of system of domestic water supply, fire hydrants and water transmission lines including a distribution system, pressure system and fire hydrants in the subdivided area in said District known as Marin Bay Unit One, three transmission lines of 6, 12 and 14 inch diameter, respectively, to provide water service to the District, pipes, valves, connections and other water facilities and appurtenances.

Acquisition of sewage collection and transmission system including collection sewers and facilities in the subdivided area in said District known as Marin Bay Unit One, force transmission main along public streets and easements from the sewage pumping plant to the sewage treatment plant, sewers, pipes, cleanouts, wyes, manholes, lampholes and appurtenances; and acquisition of land for sewage treatment plant site and sewage pumping plant site and easements for collection and transmission sewer lines.

Acquisition of drainage system and facilities within said District including drainage pumping plant, catchbasins, storm sewers, pipes, drainage channels, lagoons, dykes, manholes, slope planning and erosion control and appurtenances; and acquisition of land for drainage pumping plant site, and easements for lagoons, channels and flooding.

Acquisition of grading, streets, curbs, gutters, sidewalks, paving, landscaping, street signs, monuments and barricades, and acquisition of land for street use, all within the subdivided area in said District known as Marin Bay Unit One.

Acquisition of undergraund electrical facilities including cables, lines, conduits, ducts, electroliers, transformer and appurtenant works and appliances for providing electricity and electric service within the subdivided area in said District known as Marin Bay Unit One.

Acquisition of gas mains, pipes and other works, appliances and facilities to provide gas service within the subdivided area in said District known as Marin Bay Unit One.

Acquisition of underground telephone facilities including pipes, conduits, manholes, service boxes and appurtenant works and appliances for supplying telephone service within the area in said District known as Marin Bay Unit One.

NOTICE IS FURTHER GIVEN that Monday, the 27th day of February, 1961, at 5:15 o'clock P.M. (P.S.T.) in the meeting room of said Council, City Hall, San Rafael, California, are hereby fixed as the time and place for the hearing of protests relative to said Resolution of Intention and said Engineer's Report and to the proposed work, acquisitions and improvements, the extent of the assessment district, or the proposed assessment described in said Resolution of Intention and said Engineer's Report. Any interested person may object to the proposed work, acquisitions and improvements, the extent of the assessment district, or to the proposed assessment by filing a written protest with said City Clerk of the City of San Rafael at or before said time set for said hearing. Reference is hereby made to said Resolution of Intention and to said Engineer's Report for further particulars concerning said proposed work, acquisitions and improvements.

DATED: January 30, 1961.

/s/ WILLIAM L. MORGAN
City Clerk of the City of San Rafael, Marin County, California
By: /s/ W. C. CORNWELL,
Deputy Clerk.

EXCEPTIONAL MOTEL BUY

We've seen many motel deals, but here's one to "write home about." 20 deluxe units in a top in-town location within 100 miles of San Francisco. Gross nearly $2,000 per unit for the past 4 years. Large pool, beautiful furnishings and best of all, only $45,000 to handle. If owner managed, $13,000 spendable money after all payments and expenses. The financing is terrific. It's a beautiful motel. Why not call us RIGHT NOW? We're sure it won't last.

San Rafael Tree Plan Under Study

The San Rafael Beautiful Committee is studying a plan for setting up shrubs and trees in cement boxes along downtown San Rafael streets.

Joe Petersen, chairman of the downtown subcommittee, reported at the meeting this week that he is gathering figures on costs, types of trees and merchant cooperation.

The plan is to have four or five planters on each side of the street in each block. The trees and shrubs could be bought by the merchants and might be maintained by the city, according to chairman Eugene O'Connor.

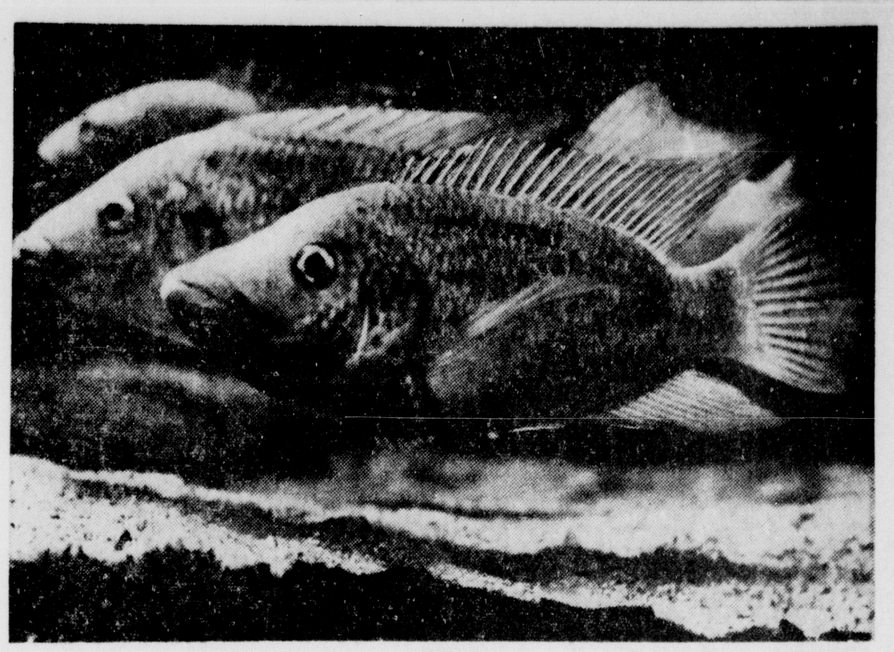
O'Connor said he hoped to have one or two of the larger stores setup the planters as an example of what can be done to beautify the city streets.

The subcommittee plans to meet with a representative of the City of Oakland which has a tree-lined street program, Petersen said.

Committee members said they also plan to meet with a representative of the State Division of Highways to discuss landscaping of both the completed and proposed sections of Highway 101 through the city.

Robert Greene, chairman of the tree committee, said his committee is working on proposals to the city council for improving the tree ordinance.

The next San Rafael Beautiful Committee meeting will be at noon, March 7.



MAYBE THEY HAVE MOUTHS FULL OF EGGS

These fish, recently given to Junior Museum of Marin by Dr. Earl S. Herald of the Steinhardt Aquarium, are Tilapia Mossambica, named for their homeland of Mozambique, a Portuguess colony in Africa. The male incubates the eggs in his mouth, then opens wide to let the little fish swim away. The United Nations Food and Agricultural Organization has introduced these fish into some countries lacking in native fish life to provide a source of protein. The Junior Museum's specimens are young ones, little over four inches long, but they'll reach 15 inches in length at maturity. (Independent-Journal photo)

Festival Theater To Present Scenes From Many Plays

"An Evening With Festival Theater," opening at 8:30 p.m. Saturday at the theater at Bolinas Avenue at Kensington Road, San Anselmo, consists of dramatic scenes acted and discussed by members of the theater's professional staff with director Robert Cowell and editor-narrator Marjorie Casebier.

Scenes considered characteristic of the theater's capacity to bring out the inner meanings of life have been chosen from a number of plays including "Streetcar Named Desire," "The Crucible," "Death of a Salesman" and "The Lady's Not for Burning." There will be a brief explanation afterward of Festival Theater's work and future plans. No admission will be charged.

This "living brochure" on the theater's work will be repeated at 4 p.m. Sunday, at 8:30 p.m. Feb. 25 and at 4 p.m. Feb. 26.

THEY'RE SINGIN' ON THE SWING SHIFT

Three Tamalpais High School students give out with song from "Pajama Game," musical they'll present March 2-4 at the school and will preview for the Marin Junior Music Club Saturday at 1 p.m. in Olney Hall of College of Marin. Singers are (from left) Nancy Piver, Lyn Elder and Fred Rynders. Accompanist is Sally Chappion.

State Prison Chief Proposes Four Degrees Of Murder

SACRAMENTO (AP) — California's prison chief has recommended study of four possible degrees of murder if the legislature decides against repealing the death penalty.

Richard A. McGee, director of corrections, opposes capital punishment. Short of abolishing it, he favors a trial moratorium long enough to permit a study of its effect. This has been his position for some time.

McGee emphasized he was not making any recommendations on changes in murder degrees but that he felt it was something that called for attention.

He said consideration might be given to dividing both first and second degree murder into two groups.

The law now provides death or life imprisonment for first degree murder, usually a premeditated crime. Second degree carries a five years to life sentence, with parole possible in 20 months.

"Perhaps," said McGee, "there ought to be something intermediate between first and second degree to take care of persons who have to be locked up indefinitely but who create considerable doubt as to whether they should be executed."

The prison director suggested consideration of these degrees:

First — Professional killers, habitual criminals or persons previously convicted of murder, and those who kill peace officers during a felony.

Second — Other premeditated slayings.

Third — Unpremeditated murders which involves strong mitigating circumstances or unusual stress.

Fourth — Killers who are not legally insane but mentally ill and who ought to be locked up.

McGee refrained from proposing fixed penalties.

Bill Would Cut Teaching Credentials

SACRAMENTO (AP)—A bill reducing the types of teaching credentials issued in California from 40 to four has been introduced by Assemblyman Charles B. Garrigus (D.-Reedley).

The State Education Department has proposed similar legislation but it provides for different types of credentials.

Garrigus proposed a standard credential for elementary junior high school and high school teachers, a special subjects credential for teachers of non-academic subjects such as physical education; a supervisory credential for principals, consultants and supervisors; and an administrative credential.

Garrigus also proposed that the State Board of Education issue permits to persons who are not teachers but who are qualified to instruct certain subjects. These would be temporary permits that would have to be renewed each year.

A retired newspaperman, for example, would be permitted to teach high school journalism classes even if he was not a trained teacher.

Under a provision made by Congress in 1910, Arkansas receives 25 per cent of the net revenues from the Ozark and Ouachita National Forests within its boundaries.

MARIN BUSINESS And INDUSTRY

(A Thrice-Weekly Column)

By HARRY CRAFT

Wee Craft Is Good Small Package, On Display At Sports, Boat Show

Exhibit 139 in the North Hall of the San Francisco Cow Palace where the National Sports and Boat Show is in progress this week is that of Hanford (Gene) Erb, former resident of Mill Valley who still has his business there—Hanford Industries, Inc., 475 Miller Ave.

Erb's display is Wee Craft, a fiberglass inboard motor boat for kids. It is a neat little package with all the style of an adult craft—seven feet long, propelled by a 6.5-hp Kart inboard gas engine.

Wee Craft began when Erb became a widower a few years ago, with four boys, aged 2 to 13, who needed attention and who also wanted a boat. From this first model, production grew—first with a neighbor asking for one, and into continuing demand and supply.

Indications are that Erb has a comer in the boat business and is headed for success.

MARIN APPLIANCE men will meet Monday when the Appliance Profession Assn. holds its organization dinner at Bob's of Marin, Corte Madera.

APA state president Myles Myers of Sacramento will speak on pending legislation to license the appliance service industry and appliance training schools that can be established under the state apprenticeship program.

Stuart Page, San Rafael management consultant to the association, will moderate the meeting and discuss objectives and benefits.

AND SPEAKING of meetings, the Marin County Estate Planning Council held its first meeting of the year last Monday night with a panel discussion headed by Robert A. Blakeslee, West Coast vice president of Eaton and Howard, Inc., investment counselors, and W. Edward Bell, assistant vice president, trust department of Crocker Anglo National Bank.

The Marin Council, founded in 1956, has as its purpose the promotion of estate planning and related subjects, and to provide a forum for attorneys, accountants, life underwriters, bank and trust company officers, analysts and investment advisors.

New officers for 1961 are J. Edmund Williams, San Anselmo, president; Jess J. France Jr., Ross, vice president; Mrs. Louise Lamb, Corte Madera, secretary, and Robert J. Soderblom, Novato, treasurer.

PROMOTIONS. Look for food campaigns to be launched this month. The Borden Foods Co. will break loose next week with an extensive Lenten cheese promotion, tied in with other foods to brighten meatless meals. Parmesan and Romano grated cheese will be advertised as "terrific with vegetables and fish, soups and salads and with all Italian dishes. The Independent-Journal will carry this advertising.

S and W Fine Foods, Inc., will also push its advertising heavily in West Coast markets —a lot of it will be by television commercials as well as newspaper ads.

The food group of the nation's retailers was among the highest in surge of 160 dollar volume business over 1959 and in reaching new levels of any year in history.

REALTOR Donald P. Geddes who is already a Marin multiple listing board member and a franchised member of Arms Institute, Inc., has taken on another listing service—the Million Dollar Real Estate Exchange, Inc., which goes in for large properties publicized on a nationwide basis.

Nothing less than $500,000.

AND THE OWNER of the new Pacific-Electro-Wash Laundry in Fairfax is not Mrs. David Wintergreen, as stated Monday, but Mrs. David Kennedy who lives on Wintergreen Drive, San Rafael.

Queried Mrs. K. after reading the boner, "Are you a disgruntled Republican — or did you actually vote for 'Wintergreen for President'?"

Must I answer that?

School Building Loans Approved

SACRAMENTO (AP)—The State Allocation Board yesterday approved 29.2 million dollars in school construction loans to 90 school districts throughout California.

The board stepped up its allocations under legislation signed by Gov. Edmund G. Brown last week and providing nearly 30 million dollars in bond money for immediate use.

Normally, the loans are limited to 12 million dollars a month.

The board said the projects approved today would provide 830 classrooms for 26,800 pupils in 26 of the 58 counties.

The Biblical talent, in terms of present-day money, was worth about $6,000.
